FINAL ORDER

Pursuant to Section 22.18(a) of the United States Environmental Protection Agency's *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and Termination or Suspension of Permits ("Consolidated Rules")*, 40 C.F. R. § 22.18(a), the respondent has elected the "Quick Resolution" of this matter by payment of the full penalty proposed in the complaint. No answer has been filed in this matter. Full payment of the \$500.00 proposed penalty has been received by the Agency and given the billing document number of 2750947X004.

The subject complaint does not seek a compliance or corrective action order or Permit Action and the proceeding is not subject to the public comment provisions of §22.45 of the Consolidated Rules. Therefore, quick resolution is immediately available.

Payment of the penalty constitutes a waiver of respondent's right to contest the allegations and to appeal the Final Order. This Final Order shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.

This Final Order shall resolve only those causes of action alleged in the complaint. This Final Order does not waive, extinguish, or otherwise affect respondent's obligation to comply with all applicable provisions of the Act which authorizes this proceeding and regulations promulgated thereunder.
