Received by
 EPA Region 1
 Hearing Clerk

Boston BoatWorks, LLC (“Boston BoatWorks”) of Charlestown, MA (“Respondent”) is a “person,” within the meaning of Section 502(5) of the Clean Water Act (“Act”), 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

Attached is an “Expedited Settlement Worksheet” (“Settlement Form”), which is incorporated by reference. By its signature, Complainant (“EPA”) finds that Respondent is responsible for violating Section 301(a) of the Clean Water Act, 33 U.S.C. § 1311, by failing to fully comply with the terms and conditions of the 2021 Multi-Sector General Permit for Stormwater Discharges Associated with Industrial Activity, during the time frame described in the Settlement Form.

EPA finds, and Respondent admits, that Respondent is subject to Section 301 of the Act, 33 U.S.C. § 1311, and that EPA has jurisdiction over any “person” who “discharges pollutants” from a “point source” to “waters of the United States.” Respondent neither admits nor denies the specific alleged violations specified in the Settlement Form.

EPA is authorized to enter into this Consent Agreement and Final Order (“Agreement”) under the authority vested in the Administrator of EPA by Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), and by 40 C.F.R. § 22.13(b). The parties enter into this Agreement to settle the civil violations alleged in this Agreement for a penalty of **\$10,547**. Respondent consents to the assessment of this penalty and waives the right to: (1) contest the findings specified in the Settlement Form; (2) a hearing pursuant to Section 309(g)(2) of the Act, 33 U.S.C. § 1319(g)(2); and (3) appeal pursuant to Section 309(g)(8), 33 U.S.C. § 1319(g)(8).

Additionally, Respondent certifies, subject to civil and criminal penalties for making a false statement to the United States Government, that the Respondent has addressed the alleged violations identified in the Settlement Form. Furthermore, Respondent agrees that consistent with section 162(f)(1) of the Internal Revenue Code, 26 U.S.C. § 162(f)(1), Respondent will not deduct penalties paid under this Agreement for federal tax purposes.

Additionally, Respondent agrees that it shall submit payment of the penalty in the form of a bank, cashiers, or certified check in the amount of \$10,547, payable to the “Treasurer, United States of America” via certified mail to: U.S. EPA, Fines and Penalties,

Cincinnati Finance Center, P.O. Box 979077, St. Louis, MO 63197-9000 (and indicate: *In the Matter of: Boston BoatWorks* Docket No.: CWA-01-2023-0003, on the check) within 10 days after this Agreement becomes final. Respondent shall email a copy of the check to Cristeen Schena EPA Region 1, at: schena.cristeen@epa.gov, and to the Regional Hearing Clerk, EPA Region 1 at: R1_Hearing_Clerk_Filings@epa.gov.

This Agreement settles EPA’s civil penalty claims against Respondent for the alleged Clean Water Act violations specified in this Agreement. EPA does not waive its rights to take any enforcement action against Respondent for any other past, present, or future civil or criminal violation of the Act or of any other federal statute or regulation. EPA does not waive its right to issue a compliance order for any uncorrected alleged violations described in the Settlement Form. EPA has determined this Agreement to be appropriate.

Respondent agrees to acceptance of the Complainant’s: i. digital or an original signature on this Agreement; ii. service of the fully executed Agreement on the Respondent by mail or electronically by e-mail. Respondent understands that the mailing or e-mail address may be made public when the Agreement and Certificate of Service are filed and uploaded to a searchable database. Complainant agrees to acceptance of the Respondent’s digital or an original signature on this Agreement.

Prior to requesting that an EPA Regional Judicial Officer issue the Final Order, the EPA will provide public notice of this Agreement and a reasonable opportunity for the public to comment on it.
