RECEIVED
EPA REGION 4

STATUTORY AUTHORITY

1. Pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules of Practice or Part 22), specifically Subpart I, published at 64 Fed. Reg. 40138 (July 23, 1999) and the delegated authority of the Administrator of the U.S. Environmental Protection Agency (EPA or Complainant) under Part C of the Safe Drinking Water Act (SDWA or the Act), 42 U.S.C. § 1421, et seq., the EPA, as Complainant, hereby enters into the following Consent Agreement and Final Order ("CA/FO") Marvin Young Enterprises, Inc. (Respondent).

2. Section 1450 of the SDWA authorizes the Administrator to prescribe such regulations as are necessary or appropriate to carry out her functions under the SDWA. These regulations are found at 40 CFR Parts 124, 144, 146, 147, and 148, and set forth requirements for the Underground Injection Control (UIC) program promulgated under Part C of the SDWA, 42 U.S.C. § 300h, et seq.

3. Injection well owners and operators are required to comply with the UIC program requirements. The UIC program for the Commonwealth of Kentucky, including all Indian lands, is administered by EPA. See 40 CFR § 147.901(a).

ALLEGATIONS

4. Respondent is a corporation doing business in the Commonwealth of Kentucky, with a business address of 15820 North Greenville Road, Crofton, Kentucky 42217.

5. Respondent is a person as that term is defined in Section 1401(12) of the SDWA, 42 U.S.C. Section 300f(12) and 40 CFR §144.3.

6. Respondent owns and/or operates the following rule-authorized Class II underground injection wells (subject wells). These wells were in existence on June 25, 1984, the effective date of the UIC program in Kentucky.

<u>EPA ID No.</u>	<u>Well</u>	<u>Status</u>	<u>County</u>
KYS0470128	Lee Roy Wells #1	Inactive	Christian
KYS0470098	Pete Morgan #9	Active	Christian
KYS0470106	Pete Morgan #4	Active	Christian
KYS0470107	Pete Morgan #6	Active	Christian

7. Each of these wells constitutes a "facility" as that term is defined in 40 CFR §144.3, and is subject to the requirements of the SDWA and the UIC regulations.

8. Requirements found at 40 CFR §144.28(g)(2)(iv)(A), state that a demonstration of mechanical integrity, pursuant to §146.8, shall occur at least once every five years for active wells. These active subject wells are overdue for mechanical integrity demonstration requirements as follows.

<u>EPA ID No.</u>	<u>Well</u>	<u>MIT Due</u>	<u>MIT Done</u>
KYS0470098	Pete Morgan #9	9/14/09	5/05/10
KYS0470106	Pete Morgan #4	9/14/09	5/05/10
KYS0470107	Pete Morgan #6	9/14/09	5/05/10

9. Therefore, Respondent violated 40 CFR §144.28(g)(2)(iv)(A) and the SDWA by failing to demonstrate the mechanical integrity of the active subject wells at least once every five years.

10. In accordance with 40 CFR §144.28(c)(2)(iv), EPA requires that after a cessation of injection for two years, the owner or operator of a rule-authorized underground injection well shall demonstrate the mechanical integrity or close, plug and abandon the well.

11. The Lee Roy Wells No. 1 injection well (subject well), EPA ID No. KYS0470128, was discovered by the Respondent, who reported the finding to EPA. An inspection was conducted on May 5, 2010, documenting the location of the well. The subject well has never been tested for mechanical integrity.

12. Therefore, Respondent is in violation of 40 CFR §144.28(c)(2)(iv) and the SDWA for failure to demonstrate the mechanical integrity or properly close, plug and abandon the subject inactive well.

13. Respondent owns and/or operates the following Class II underground injection wells (subject wells) which are permitted in accordance with 40 CFR § 144.31.

<u>Permit No.</u>	<u>EPA ID No.</u>	<u>Well</u>	<u>Status</u>	<u>County</u>
KYI0356	KYS0470125	Little Page #9	Active	Christian
KYI0357	KYS0470126	Lee Roy Wells #10	Inactive	Christian

14. Each of these wells constitutes a "facility" as that term is defined in 40 CFR §144.3, and is subject to the requirements of the SDWA and the UIC regulations.

15. The SDWA, 42 U.S.C. §300f, et seq., and 40 CFR §144.51(a) require the permittee to comply with all conditions of the permit. Noncompliance constitutes a violation of the SDWA and is grounds for an enforcement action.

16. Part II, Section G, Paragraph 3, of the permit, requires the permittee to demonstrate the mechanical integrity of active wells at least once every five years. The following active subject well is overdue for mechanical integrity demonstration requirements as follows.

<u>Permit No.</u>	<u>EPA ID No.</u>	<u>Well</u>	<u>MIT Due</u>	<u>MIT Done</u>
KYI0356	KYS0470125	Little Page #9	12/2/09	5/05/10

17. Therefore, Respondent violated 40 CFR §144.51 (a), its permit, and the SDWA by failing to timely demonstrate the mechanical integrity of the active subject well.

18. In accordance with Part II, Section F, Paragraph 3 of the permit, EPA requires that after a cessation of injection for two years, the permittee shall demonstrate the mechanical integrity or close, plug and abandon the well.

19. The following inactive subject well is overdue for mechanical integrity demonstration requirements as follows.

<u>Permit No.</u>	<u>EPA ID No.</u>	<u>Well</u>	<u>Prior MIT</u>	<u>Next MIT</u>
KYI0357	KYS0470126	Lee Roy Wells #10	11/05/03	5/27/10

20. Therefore, Respondent violated 40 CFR §144.51 (a), its permit, and the SDWA by failing to timely demonstrate the mechanical integrity of the subject inactive well or plug and abandon the well.

21. On June 15, 2010, Respondent participated in a show cause hearing with EPA representatives to discuss its permit violations, the SDWA, and the implementing regulations.

22. Respondent and Complainant have negotiated a settlement of the foregoing violations and Respondent has agreed to pay a penalty and perform injunctive relief.

STIPULATIONS AND FINDINGS

23. Respondent admits the jurisdictional allegations set forth above and neither admits nor denies the facts and findings of violation as alleged herein. Respondent waives any right to a hearing and waives any right to appeal a final order in this matter, and consents to the issuance of a final order without further adjudication.

24. Complainant and Respondent have conferred for the purpose of settlement, pursuant to 40 CFR § 22.18, and desire to resolve this matter and settle the violations

described herein without resort to a formal hearing. Therefore, without the taking of any evidence or testimony, the making of an argument, or the adjudication of any issue in this matter, and in accordance with 40 CFR § 22.13(b), this CA/FO will simultaneously commence and conclude this matter.

GENERAL PROVISIONS

37. The provisions of this CA/FO shall be binding upon Respondent, and its officers, directors, agents, servants, employees, and successors or assigns. Notice of this CA/FO shall be given to any successors in interest prior to transfer of the ownership or operational control of the facility.

38. This CA/FO does not constitute a waiver, suspension, or modification of the requirements of Part C of the SDWA, 42 U.S.C. §1421, et seq., or any regulations promulgated thereunder. This CA/FO is not, and shall not be interpreted to be, a permit for the injection of fluids under Section 1421 of the SDWA, 42 U.S.C. §300h, nor shall it in any way relieve Respondent of any obligation imposed by any permit issued thereunder, or of Respondent's obligation to comply with any provision of the SDWA, its implementing regulations, or any other local, state or federal law. Payment of the penalty agreed to in this CA/FO shall not in any way affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any other violations of law. Full payment of the penalty and performance of the injunctive relief agreed to in this CA/FO resolves only Respondent's liability for federal civil penalties for the violations and facts stipulated herein.

39. For the purposes of state and federal income taxation, Respondent shall not be entitled to and agrees not to attempt to claim a deduction for any penalty payment made

pursuant to this CA/FO. Any attempt to deduct any such penalty shall constitute a violation of this CA/FO.

40. If any event beyond the control of Respondent, its successors or assigns, occurs which causes or may cause a delay in the achievement of any requirement of this CA/FO, Respondent shall notify EPA orally within four (4) days of the time it has knowledge of the occurrence of such event. A written report of said event shall be submitted by certified mail to EPA within ten (10) days of the date Respondent received knowledge of the event. Said report shall describe the violation or failure, its cause and all attendant circumstances, and the measures taken or to be taken to prevent or minimize any such violation or failure and to comply with the pertinent requirements of this CA/FO as soon as possible, and the timetable by which those measures are proposed to be implemented.

41. The burden of proving that any violation or failure is caused by circumstances beyond the control of and without fault of Respondent and the length of the delay attributable to such circumstances shall rest with Respondent. Financial, economic, or business conditions or changes in same, unanticipated or increased costs or expenses, or problems relating to reasonably foreseeable technological infeasibility associated with the implementation of actions called for by this CA/FO, shall not relieve Respondent of any obligation imposed under the terms of this CA/FO, nor from payment of any penalty set forth in this CA/FO. EPA will notify Respondent of its determination that certain circumstances are considered to be beyond Respondent's control and the extension of time, if any, for completion of the affected requirements. Respondent shall waive this right to any extension for failure to provide EPA with written notice as provided herein or for failure to provide adequate proof for the cause of the delay.

42. The parties acknowledge and agree that final approval by EPA of this CA/FO is subject to 40 C.F.R. 22.45(c)(4) which sets forth requirements under which a person not a party to this proceeding may petition to set aside a consent agreement and final order on the basis that material evidence was not considered.

43. Each party shall bear its own costs and attorneys fees in connection with this action.

44. This CA/FO shall become effective upon the date that it is filed with the Regional Hearing Clerk.

45. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Agreement and to execute and legally bind the Party he or she represents to this Agreement.
