Dear Ms. Hessler:

The U.S. Environmental Protection Agency (EPA) Region 2 is in receipt of NJLG-UST I, LLC's penalty payment of \$1420, the signed Expedited Settlement Agreement, and the documentation that the USTs at the above referenced facility are now in compliance. By signing the Expedited Settlement Agreement, you have agreed to the terms of the Expedited Settlement Agreement and Final Order and have certified that a violation cited in the proposed Expedited Settlement Agreement was corrected.

Enclosed you will find a copy of the Expedited Settlement Agreement and Final Order issued by EPA. EPA has approved the Expedited Settlement Agreement based on your signed certification and supporting compliance documentation. EPA will not seek a civil penalty for the violations listed in Proposed Expedited Settlement Agreement provided that a violation was timely corrected.
