

Section II

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Director of the Water, Wetlands and Pesticides Division, EPA, Region 7.

4. The Respondent is Rohm & Haas, a Wholly Owned Subsidiary of Dow Chemical, located at 100 Independence Mall West, Philadelphia, Pennsylvania 19106. Respondent is a business in good standing in the state of Pennsylvania.

Section III

Statutory and Regulatory Background

5. Congress enacted FIFRA in 1947 and amended it in 1972 and in 1996. The general purpose of FIFRA is to provide the basis for regulation, sale, distribution and use of pesticides in the United States. 7 U.S.C. 136 et. seq.

6. Section 2(t) of FIFRA, 7 U.S.C. § 136(t), defines the term “pest” to mean (1) any insect, rodent, nematode, fungus, weed, or (2) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other micro-organism on or in living man or other living animals) which the Administrator declares to be a pest under Section 25(c)(1).

7. Section 2(u) of FIFRA, 7 U.S.C. § 136(u), defines the term “pesticide” to mean any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.

8. Section 2(s) of FIFRA, 7 U.S.C. § 136(s), defines the term “person” to mean any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.

9. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), defines the term “to distribute or sell” to mean to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.

10. The term “produce” is defined by Section 2(w) of FIFRA, 7 U.S.C. § 136(w), and by 40 C.F.R. § 167.3 as meaning to manufacture, prepare, propagate, compound, or process any pesticide or device or active ingredient or to package, repackage, label, relabel, or otherwise change the container of any pesticide or device.

11. The term “producer” is defined by Section 2(w) of FIFRA, 7 U.S.C. § 136(w), and by 40 C.F.R. § 167.3 as any person who manufactures, prepares, compounds, propagates or processes any pesticide or device or active ingredient used in producing a pesticide (such actions include packaging, repackaging, labeling, and relabeling a pesticide).

12. Pursuant to 40 C.F.R. § 152.132, a registrant may distribute or sell his registered product under another person’s name and address instead of (or in addition to) his own. Such distribution and sale is termed “supplemental distribution” and the product is referred to as a “distributor product.” The distributor is considered an agent of the registrant for all intents and purposes under the Act, and both the registrant and the distributor may be held liable for violations pertaining to the distributor product. One condition which must be met in order for

supplemental distribution to be permitted is that the label of the distributor product must be the same as that of the registered product except for the following:

- (i) The product name of the distributor product may be different (but may not be misleading);
- (ii) The name and address of the distributor may appear instead of that of the registrant;
- (iii) The registration number of the registered product must be followed by a dash, followed by the distributor's company number;
- (iv) The establishment number must be that of the final establishment at which the product was produced; and
- (v) Specific claims may be deleted, provided that no other changes are necessary.

13. Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136(q)(1)(A), states, in pertinent part, a pesticide is misbranded if its labeling bears any statement which is false or misleading in any particular.

14. Section 2(q)(1)(E) of FIFRA, 7 U.S.C. § 136(q)(1)(E), states a pesticide is misbranded if any word, statement, or other information required by or under authority of this Act to appear on the label or labeling is not prominently placed thereon with such conspicuousness and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

15. Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), states it shall be unlawful for any person to distribute or sell any pesticide that is adulterated or misbranded.
