NPDES Permit No. NM0024996	§	Pursuant to 40 C.F.R. § 22.18(b)

I. PRELIMINARY STATEMENT

1. This Consent Agreement and Final Order (“CAFO”) is issued under the authority vested in the United States Environmental Protection Agency (“EPA”) pursuant to Section 309(g) of the Clean Water Act (“Act”), 33 U.S.C. § 1319(g). This CAFO is issued in accordance with 40 C.F.R. § 22.18, as described in the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits.”

2. On October 19, 2011, EPA Region 6 issued to the Mora Mutual Water and Sewer Works Association (“Respondent”) an Administrative Complaint (“Complaint”) under Section 309(g) of the Act, 33 U.S.C. § 1319(g), which proposed to assess a civil penalty against the Respondent, and gave notice of the Respondent’s opportunity to request a hearing on the proposed administrative penalty assessment.

3. The EPA and Respondent (“Parties”) agree that settlement of the relevant matters without litigation will save time and resources, that it is in the public’s interest, and that the entry of this CAFO is the most appropriate means of resolving such matters. Compliance with all the

terms and conditions of this CAFO resolves only those violations alleged by EPA in the administrative Complaint.

4. The Respondent admits the jurisdictional allegations of the Complaint and admits the specific factual allegations and conclusions of law contained in the Complaint or this CAFO.

This CAFO states a claim upon which relief may be granted.

5. Respondent expressly waives any right to contest the factual allegations or conclusions of law contained in the Complaint and this CAFO and waives its right to appeal the Final Order set forth herein.

6. Before the taking of any testimony, and without adjudication of any issue of law or fact, the Parties agree to the terms of this CAFO and to its issuance. Respondent consents to the assessment and payment of a civil penalty in the amount and by the method stated below.

## II. FINDINGS OF FACT AND CONCLUSIONS OF LAW

7. Respondent is a statutory utility district created by or under state law and having jurisdiction over disposal of sewage, industrial wastes, or other wastes, which is a "municipality" as that term is defined in Section 502(4) of the Act, and as such, is a "person," as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

8. The Respondent owned or operated the Village of Mora wastewater treatment plant, located 1 mile east of the Village of Mora, in Mora County, New Mexico ("facility"), and the operation of which was the subject of the Complaint.

9. The Complaint specified findings of fact and conclusions of law that are hereby incorporated by reference and alleged, among other things, that at the relevant times:

Respondent was a "person" that "owned or operated" a facility that was a "point source" subject

to a “discharge” of “pollutants” to the receiving waters of the Mora River in Segment No. 20.6.4.307 of the Canadian River Basin, which is considered a “water of the United States” within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2; Respondent and the facility were subject to the provisions of the Act, 33 U.S.C. § 1251 *et seq.*, and the National Pollutant Discharge Elimination System (“NPDES”) program; and the Respondent violated Section 301 of the Act, 33 U.S.C. § 1311, by discharging pollutants to waters of the United States in amounts exceeding the effluent limitations contained in the permit, and by violating permit conditions, as specified in the Complaint.

10. With the issuance of the Complaint, the State of New Mexico was notified and given an opportunity to consult with EPA regarding the proposed assessment of an administrative penalty against the Respondent.

11. EPA notified the public of the Complaint via the internet at [www.epa.gov/region6/publicnotice](http://www.epa.gov/region6/publicnotice), and afforded the public thirty (30) days to comment on the Complaint and proposed penalty. At the expiration of the notice period, EPA received no comments from the public.

Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the respective due date. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the

costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. *See* 40 C.F.R. § 13.11(b).

17. EPA will also assess a fifteen dollar (\$15.00) administrative handling charge for administrative costs on unpaid penalties for the first thirty (30)-day period after the payment is due and an additional fifteen dollars (\$15.00) for each subsequent thirty (30)-day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent (6%) per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. *See* 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. *See* 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

18. Pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9), any person who fails to pay on a timely basis a civil penalty ordered or assessed under this section shall be required to pay, in addition to such penalty and interest, the United States' enforcement expenses including, but not limited to, attorneys' fees and costs incurred by the United States for collection proceedings, and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be twenty percent (20%) of the aggregate amount of such person's outstanding penalties and nonpayment penalties accrued as of the beginning of each quarter.

19. Failure by the Respondent to pay the penalty assessed according to the terms of this CAFO, in full, by its due date, may subject the Respondent to a civil action to collect the assessed penalty and any accrued interest and penalties.

20. In the event a collection action is necessary, the Respondent shall pay—in addition to any applicable penalty, fees, and interest described herein—all reasonable costs and expenses,

including legal expenses and court costs, incurred by the United States for enforcement and collection proceedings for nonpayment of the amounts agreed hereunder, pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9). 23. The provisions of this CAFO shall be binding upon the Respondent, its officers or officials, managers, employees, and their successors or assigns, in their capacity on behalf of the Respondent.
