CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045 and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties, and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is ExxonMobil Production Company.

2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18(b) and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. §§ 22.13(b) and 22.18(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under CERCLA and under EPCRA to the Regional Administrators by EPA Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated to the Director, Air, Pesticides and Toxics Management Division, the authority under EPCRA by EPA Region 4 Delegation 22-3-A, dated November 8, 1994. Pursuant to these delegations, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

4. Respondent is a corporation doing business in the State of Alabama.

5. Respondent is a "person" as defined in Section 329(7) of EPCRA, 42 U.S.C. § 11049(7).

6. Respondent has a "facility" as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).

7. Respondent's facility is located at 6000 Deakle Road, Theodore, Alabama.

### III. EPA's Allegations of Violations

8. Section 304(a) of EPCRA, 42 U.S.C. § 11004(a) and the regulations found at 40 C.F.R. § 355, Subpart C, require the owner or operator of a facility at which hazardous chemicals are produced, used or stored, to immediately notify the State Emergency Response Commission (SERC) and Local Emergency Planning Committee (LEPC) when there has been a release of a CERCLA hazardous substance or extremely hazardous substance in an amount equal to or greater than the reportable quantity.

9. Respondent was the owner or operator of the facility during the relevant period, described below.

10. At all times relevant to this matter, the facility produced, used, or stored "hazardous chemicals" as defined under Section 311(e) of EPCRA, 42 U.S.C. § 11021(e) and under 29 C.F.R. § 1910.1200(c).

11. Sulfur dioxide is an "extremely hazardous substance" as that term is defined by Section 329(3) of EPCRA, 42 U.S.C. § 11049(3), with an RQ of 500 pounds, as specified in 40 C.F.R. Part 355, Apps. A & B.

12. On January 13, 2011, Respondent had a release of sulfur dioxide above the RQ at the facility.

13. EPA alleges that Respondent violated the notification requirements of Section 304(a) of EPCRA, 42 U.S.C. § 11004(a), by failing to immediately notify the SERC and LEPC as soon as Respondent had knowledge of the release of sulfur dioxide in an amount equal to or greater than the RQ at Respondent's facility, and is therefore subject to the assessment of penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

14. Pursuant to Section 325(b) of EPCRA, 42 U.S.C. § 11045(b), and 40 C.F.R. Part 19, EPA may assess a penalty of not more than \$37,500 for each violation of Sections 304(a) and (c) of EPCRA, 42 U.S.C. § 11004(a)(c), that occurred after January 12, 2009. Civil penalties under Section 325(b) of EPCRA, 42 U.S.C. § 11045(b), may be assessed by Administrative Order.

### IV. Consent Agreement

15. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

16. Respondent waives any right to contest the allegations and its right to appeal the proposed Final Order accompanying the Consent Agreement.

17. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

18. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all requirements of EPCRA.

19. Compliance with the CAFO shall resolve the allegations of violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States, other than as expressed herein. Neither EPA nor Complainant waives any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

20. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of EPCRA.

#### V. Final Order

21. Respondent shall pay a civil penalty of TWENTY FOUR THOUSAND THREE HUNDRED SEVENTY FIVE DOLLARS (\$24,375) for the EPCRA violation which shall be paid within thirty (30) days of the effective date of this CAFO.
