DOCKET NO. CWA-02-2009-3310

CONSENT AGREEMENT AND ORDER

Complainant, the United States Environmental Protection Agency ("EPA"), having issued the Complaint herein on June 19th, 2009, against Crosman Corporation ("Respondent"), and

Complainant and Respondent having agreed that settlement of this matter is in the public interest, and that entry of this Consent Agreement and Final Order without further litigation is the most appropriate means of resolving this matter;

NOW, THEREFORE, before the taking of any testimony, upon the pleadings, without adjudication of any issue of fact or law, and upon consent and agreement of the Parties, it is hereby agreed, and ordered as follows:

I. PRELIMINARY STATEMENT

Upon Consent of the Parties by their attorneys or other authorized officials, the parties stipulate:

1. EPA initiated this proceeding for the assessment of a civil penalty, pursuant to Section 309 of the Clean Water Act, 33 U.S.C. §1319.
2. The Complaint alleges that Respondent failed to comply with the metal finishing standards at 40 C.F.R. §433.15, §403.12(g)(2) and Section 307(b) of the Act, 33 U.S.C. §1317(b) for Respondent's facility located at Routes 5 & 20, East Bloomfield, NY 14443.
3. EPA notified New York State regarding this action and offered an opportunity for the State to confer with EPA on the proposed penalty assessment, pursuant to 40 CFR Part 22.
4. This action was public noticed. No public comment was received.
5. This Consent Agreement and Final Order shall apply to and be binding upon Respondent, its officers, directors, employees, successors and assigns, including, but not limited to, subsequent purchasers.

6. Respondent stipulates that EPA has jurisdiction over the subject matter alleged in the Complaint and that the Complaint states a claim upon which relief can be granted against Respondent. Respondent waives any defenses it might have as to jurisdiction and venue, and, without admitting or denying the factual or legal allegations contained in the Complaint, consents to the terms of this Consent Agreement and Final Order.
7. Respondent hereby waives its right to a judicial or administrative hearing or appeal on any issue of law or fact set forth in the Complaint.

II. TERMS OF SETTLEMENT

8. Pursuant to §309(g) of the Clean Water Act, 33 U.S.C. §1319(g), the nature of the violations, and other relevant factors, EPA has determined that an appropriate civil penalty to settle this action is in the amount of FOUR THOUSAND AND EIGHT HUNDRED (\$4,800) DOLLARS.
9. For purposes of settlement, Respondent consents to the issuance of this Consent Agreement and consents to the payment of the civil penalty cited in the foregoing Paragraph.

II. A. Penalty

10. No later than forty-five (45) calendar days after the date signature on the Final Order (at the end of this document), Respondent shall pay the penalty of FOUR THOUSAND AND EIGHT HUNDRED (\$4,800) DOLLARS by cashier's or certified check, payable to the "Treasurer of the United States of America", identified with a notation of the name and docket number of this case, set forth in the caption on the first page of this document. This check shall be mailed to:

 - a. Failure to pay the penalty in full according to the above provisions will result in a referral of this matter to the United States Department of Justice or the United States Department of the Treasury for collection;
 - b. further, if the payment is not received on or before the due date, interest will be assessed at the annual rate established by the Secretary of Treasury pursuant to the Debt Collection Act, 31 U.S.C. §3717, on the overdue amount from the due date through the date of payment. In addition, a late payment handling charge of \$15.00 will be assessed for each 30 day period (or any portion thereof) following the due date in which the balance remains unpaid.  - d. Respondent also may be required to pay attorneys fees and costs for collection proceedings in connection with nonpayment.
12. The penalty to be paid is a civil penalty assessed by the EPA and shall not be deductible from the Respondent's federal or state taxes.

15. Nothing in this agreement shall be construed as prohibiting, altering or in any way limiting the ability of EPA to seek any other remedies or sanctions available by virtue of Respondent's

Respondent's violation of this agreement or of the statutes and regulations upon which this agreement is based, or for Respondent's violation of any applicable provision of law.

16. This Consent Agreement and Order shall not relieve Respondent of its obligation to comply with all applicable provisions of federal, state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state or local permit, nor shall it be construed to constitute EPA approval of the equipment or technology installed by Respondent, if any, in connection with the SEP undertaken pursuant to this Agreement.
17. This Consent Agreement and Final Order constitute a settlement by EPA of all claims for civil penalties pursuant to the Clean Water Act for the violations alleged in the Complaint. Nothing in this Consent Agreement and Final Order is intended to nor shall be construed to operate in any way to resolve any criminal liability of the Respondent. 18. Each undersigned representative of the parties to this Consent Agreement certifies that he or she is fully authorized by the party represented to enter into the terms and conditions of this Consent Agreement and to execute and legally bind that party to it.
19. Each party shall bear its own costs and attorneys fees in connection with the action resolved by this Consent Agreement and Order.
