CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a), and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides, and Toxics Management Division, United States Environmental Protection Agency, Region 4 (EPA). Respondent is PSC Metals, Inc.
2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. The Administrator of EPA promulgated rules in 40 C.F.R. Part 761, pursuant to Section 6(e) of TSCA, 15 U.S.C. § 2605. Failure to comply with any such rule constitutes a violation of Section 15 of TSCA, 15 U.S.C. § 2614. Any person who violates a provision of Section 15 of TSCA may be assessed a penalty of up to \$27,500 for each such violation occurring between January 30, 1997, and March 15, 2004, in accordance with Section 16(a) of TSCA and 40 C.F.R. Part 19, as amended. For each such violation occurring after March 15, 2004, a penalty of up to \$32,500 may be assessed. Each day a violation continues may constitute a separate violation.
4. The authority to take action under Section 16(a) of TSCA, 15 U.S.C. § 2615(a), is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under TSCA to EPA Region 4 by EPA Delegation 12-2-A, dated May 11, 1994.
5. Pursuant to 40 C.F.R. § 22.5(c)(4) the following individual represents EPA in this matter and is authorized to receive service for EPA in this proceeding:

Management Section
U.S. EPA Region 4

(404) 562-8992.

III. Specific Allegations

6. Respondent is a "person" as defined in 40 C.F.R. §761.3.
7. On or about August 28, 2007, an inspection was conducted at Respondent's facility located at 710 South First Street in Nashville, Tennessee to determine compliance with regulations promulgated under Section 6(e) of TSCA pertaining to PCBs.

8. During the inspection the inspector requested records pertaining to PCBs. Respondent indicated at the time of the inspection that they possessed such records, but the inspector was not allowed access to the records requested. Although the Respondent failed to permit the inspection of records pertaining to PCBs at the time of the inspection, the inspector provided a list of necessary records and the Respondent was given the opportunity to send the records to the inspector. The Respondent failed to send any PCB records to the inspector. The Respondent offered to provide the records to EPA during an initial enforcement show cause conference call on September 16, 2008. EPA indicated that the Respondent need not submit any records to EPA and that the records could be reviewed in a future on-site inspection.
9. Pursuant to 15 U.S.C. §2614, it is unlawful for any person to fail or refuse to: (3)(A) establish or maintain records; (B) submit reports, notices or other information; or (C) permit access to or copying of records, as required by this chapter (i.e., Chapter 53 of Title 15 of the Code of Laws of the United States) or a rule thereunder; or (4) fail or refuse to permit entry or inspection as required by section 2610 of this title. Respondent violated 15 U.S.C. §2614 by not permitting access to PCB records at the time of the inspection.

IV. Consent Agreement

10. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set forth above, but neither admits nor denies the factual allegations set forth above.
11. Respondent waives its right to a hearing on the allegations contained herein and its right to appeal the proposed final order accompanying the consent agreement.
12. Respondent consents to the assessment of the penalty proposed by EPA and agrees to pay the civil penalty as set forth in this CAFO.

13. Respondent certifies that as of the date of its execution of this CAFO, the Nashville, TN facility is in compliance with all relevant requirements of TSCA.
14. This CAFO constitutes a settlement by EPA of all claims for civil penalties pursuant to Section 16(a) of TSCA, for the specific violations alleged herein. Except as specifically provided in this CAFO, EPA reserves all other civil and criminal enforcement authorities, including the authority to address imminent hazards. Compliance with this CAFO shall not be a defense to any other actions subsequently commenced pursuant to Federal laws and regulations administered by EPA, and it is Respondent's responsibility to comply with said laws and regulations.
15. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of TSCA.

V. Final Order

16. Respondent is assessed a civil penalty of SIX THOUSAND FOUR HUNDRED FORTY EIGHT DOLLARS (\$6,448), which shall be paid within 30 days from the effective date of this CAFO.

20. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim.
