

4. Respondent expressly waives any right to contest the factual allegations or conclusions of law contained in this CAFO and waives its right to appeal the Final Order set forth herein.

5. Before the taking of any testimony, and without adjudication of any issue of law or fact, the parties agree to the terms of this CAFO and to its issuance. Respondent consents to the assessment and payment of a civil penalty in the amount and by the method stated below.

II. FINDINGS OF FACT AND CONCLUSIONS OF LAW

6. New Mexico State Parks and Recreation (herein "Respondent") is a political subdivision of the State of New Mexico, and as such, Respondent is a "person," as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

7. At all times relevant to the violations alleged herein ("relevant time period"), Respondent owned or operated a wastewater treatment plant located at Elephant Butte State Park, Sierra County, New Mexico (herein "the facility"), and was therefore an "owner or operator" within the meaning of 40 C.F.R. § 122.2.

8. During the relevant time period, the facility was a "point source" of a "discharge" of "pollutants" with wastewater to the receiving waters of Elephant Butte Reservoir Segment No. 20.6.4.104 of the Rio Grande Basin, which are "waters of the United States" within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2.

9. Because Respondent owned or operated a facility that is a point source of discharges of pollutants to waters of the U.S., Respondent and the facility were subject to the Act and the National Pollutant Discharge Elimination System (NPDES) program.

10. Under Section 301 of the Act, 33 U.S.C. § 1311, it is unlawful for any person to discharge any pollutant from a point source to waters of the United States, except with the authorization of, and in compliance with, an NPDES permit issued pursuant to Section 402 of the Act, 33 U.S.C. § 1342.

11. Section 402(a) of the Act, 33 U.S.C. § 1342(a), provides that the Administrator of EPA may issue permits under the NPDES program for the discharge of pollutants from point sources to waters of the United States. Any such discharge is subject to the specific terms and conditions prescribed in the applicable permit.

12. The Respondent applied for and was issued NPDES Permit No. NM0024937 under Section 402 of the Act, 33 U.S.C. § 1342 which became effective on June 1, 2001, and expired by its terms on May 31, 2003.

13. Respondent failed to apply for renewal of the permit at least 180 days before the expiration date, as required by 40 C.F.R. § 122.21(d) for the permit to continue in force after expiration under 40 C.F.R. § 122.6(a). Respondent submitted application for a new permit on January 11, 2006. The EPA Regional Office deemed the submitted application complete on February 6, 2006. Since Respondent failed to timely submit a permit renewal application, the permit expired on May 31, 2003. Due to decreasing use of the Dam Site concession area in late summer and fall 2003, in part related to the drought conditions, the Dam Site wastewater treatment plant had a decline in use. The waste was pumped out of the facility and was shipped to the state's permitted facility (New Mexico Environmental Department DP-835) operated in conjunction with the wetlands within the park. As of October 2003, the Dam Site wastewater treatment plant was not used. Therefore there were discharges from June 2003 through

September 2003 during which no permit was in place. Subsequently, a new permit was issued, after expiration of the previous permit, on June 8, 2006.

14. Therefore, on multiple dates, from May 31, 2003, which is the date the permit expired, until October , 2003, Respondent discharged pollutants to waters of the United States without a permit issued under the Act, in violation of Sections 301(a) of the Act, 33 U.S.C. § 1311(a).

15. Each day that Respondent discharged pollutants to Waters of the United States without a NPDES Permit is a violation of Section 301 of the Act, 33 U.S.C. § 1311.

16. The State of New Mexico was notified and given an opportunity to consult with EPA regarding the proposed assessment of an administrative penalty against Respondent.

17. EPA notified the public of the proposed CAFO and afforded the public forty (40) days to comment on the proposed penalty. At the expiration of the notice period, EPA had received no comments from the public.

III. TERMS OF SETTLEMENT

A. PENALTY PROVISIONS

18. Based on the foregoing Findings of Fact and Conclusions of Law, EPA Region 6, considering the relevant criteria pursuant to Section 309(g)(3) of the Act, 33 U.S.C. § 1319(g)(3), and acting pursuant to the authority of Section 309(g) of the Act, 33 U.S.C. § 1319(g), hereby orders that Respondent shall pay to the United States a civil penalty in the amount of three thousand dollars (\$3,000.00) to settle the violations specified in this CAFO.

19. Payment shall be made within thirty (30) days of the effective date of this CAFO by mailing a cashier's check or certified check, payable to "Treasurer of the United States," to the

following address:

Regional Hearing Clerk

P.O. Box 371099M
Pittsburgh, PA 15251

**In the Matter of New Mexico State Parks and Recreation, Docket No. CWA-06-2006-1874,
should be clearly marked on the check to ensure credit for payment.**

20. Respondent shall send simultaneous notice of payment, including a copy of each check, to each of the following:

- (1) Regional Hearing Clerk (6RC-D)
U.S. EPA, Region 6

- (3) Chief, RCRA/Water Legal Branch (6RC-EW)
U.S. EPA, Region 6
1445 Ross Avenue, Suite 1200

Respondent's adherence to these procedures will ensure proper credit when payment is received by EPA.

21. Respondent agrees not to claim or attempt to claim a federal income tax deduction or credit covering all or any part of the civil penalty paid to the United States Treasurer.

22. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on

the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the respective due date. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. See 40 C.F.R. § 13.11(b).

23. EPA will also assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. See 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. See 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

24. Pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9), any person who fails to pay, on a timely basis, a civil penalty ordered or assessed under this section shall be required to pay, in addition to such penalty and interest, the United States enforcement expenses, including but not limited to, attorneys' fees and costs incurred by the United States for collection proceedings, and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be 20 percent of the aggregate amount of such person's outstanding penalties and nonpayment penalties accrued as of the beginning of each quarter. In such a collection action, the validity, amount, and appropriateness of the penalty

assessed by this CAFO, and the terms of this CAFO shall not be subject to review.

27. In any action to enforce this CAFO, Respondent shall not assert as a defense any act or failure to act by any of its officers, directors, employees, agents, servants, contractors, subcontractors, successors or assigns.

28. Each party agrees to bear its own costs and attorneys' fees in this matter, except to the extent that Respondent may be responsible for reasonable costs and expenses of enforcement and collection proceedings for failure to comply with the terms of this CAFO. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorneys' fees under the Equal Access to Justice Act (5 U.S.C. § 504), as amended by the Small Business Regulatory Enforcement Fairness Act (P.L.104-121), and any regulations promulgated pursuant to those Acts.

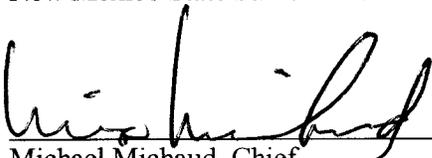

29. Each undersigned representative of the parties to this agreement certifies that he or she is fully authorized by the party represented to enter into the terms and conditions of this agreement and to execute and legally bind that party to it.
