CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 14(a) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, 7 U.S.C. § 136/(a) (FIFRA), and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, United States Environmental Protection Agency, Region 4. Respondent is La Tortilleria, Inc. (La Tortilleria).
2. The authority to take action under Section 14(a) of FIFRA, 7 U.S.C. § 136/(a), is vested in the Administrator of the EPA. The Administrator of the EPA has delegated this authority under FIFRA to the EPA Region 4 by the EPA Delegation 5-14, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by the EPA Region 4 Delegation 5-14, dated September 7, 2005. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an

enforcement action as the Complainant in this matter, and has the authority to sign Consent Agreements memorializing settlements between the EPA and Respondent.

3. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

4. Pursuant to 40 C.F.R. § 22.5(c)(4) the following individual is authorized to receive service for the EPA in this proceeding:

Phillip Beard
Pesticides Section
U.S. EPA - Region 4
61 Forsyth Street
Atlanta, Georgia 30303-8960
(404) 562-9012.

5. Respondent is incorporated in the State of North Carolina.
6. Respondent is a "person" as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and as such is subject to FIFRA and the regulations promulgated thereunder.

III. Specific Allegations

7. On or about March 24, 2011, an authorized representative of the EPA conducted an inspection at Respondent's retail facility located at 2900 Lowery Street, Winston Salem, North Carolina.
8. During the inspection, the product Fabuloso Multi-Purpose Liquid Cleaner (Fabuloso) was identified as being sold and/or distributed by the Respondent.

9. The Fabuloso product label bore pesticidal claims in English and Spanish including “*Antibacterial*” and “*Elimina el 99.99% de P. Aeruginosa, S. choleraesuis and Staphylococcus Aureus,*” and when translated, this generally means the product “eliminates 99.99 percent of certain strains of bacteria: “*Pseudomonas aeruginosa: salmonella choleraesuis and staphylococcus aureus,*”
10. Because the label for the Fabuloso product bore pesticidal claims, this product is a pesticide.
11. The term pesticide is defined in Section 2(u) of FIFRA, 7 U.S.C. § 136(u), to mean any substance (or mixture of substances) intended for a pesticide purpose, *i.e.*, use for the preventing, destroying, repelling, or mitigating any pest.
12. A pest is defined in Section 2(t) of FIFRA, 7 U.S.C. § 136(t), as any insect, rodent, nematode, fungus, weed, or any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other microorganisms on or in living man or other living animals) which the Administrator declares to be a pest under Section 25(c)(1) of FIFRA, 7 U.S.C. § 136w(c)(1).
13. Respondent “distributes or sells” pesticides. The term “to distribute or sell” as defined by Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), includes to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, or release for shipment.
14. Pesticides that are sold and distributed in the United States are required to be registered with the EPA, pursuant to Section 3 of FIFRA, 7 U.S.C. § 136a.
15. At the time of the inspection, the Fabuloso product was not registered as a pesticide with the EPA.

16. Under Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), it is unlawful for any person to distribute or sell to any person any pesticide that is not registered under Section 3 of FIFRA, 7 U.S.C. § 136a.
17. Respondent violated Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), on at least seven (7) occasions and is therefore subject to the assessment of civil penalties under Section 14 of FIFRA, 7 U.S.C. § 136l.
18. At the time of the inspection, the Fabuloso product failed to bear the directions for use in English and an ingredient statement.
19. According to Section 2(q) of FIFRA, 7 U.S.C. § 136(q), a pesticide is misbranded if its labeling fails to contain directions for use or fails to bear an ingredient statement or other information required by FIFRA to appear on the label. Pursuant to 40 C.F.R. § 156.10(a)(3), all required label or labeling text shall appear in the English language.
20. Under Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), it is unlawful for any person to distribute or sell to any person any pesticide that is misbranded.
21. Respondent violated Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), on at least seven (7) occasions and is therefore subject to the assessment of civil penalties under Section 14 of FIFRA, 7 U.S.C. § 136l.
22. Section 14(a)(4) of FIFRA, 7 U.S.C. § 136l(a)(4), requires the EPA to consider the appropriateness of the assessed penalty to the size of business of the Respondent, the effect on Respondent's ability to continue in business, and the gravity of the violation.
23. After consideration of the factors set forth in Section 14(a)(4) of FIFRA, 7 U.S.C. § 136l(a)(4), the EPA proposes to assess a total civil penalty of **FOURTEEN THOUSAND ONE HUNDRED SEVENTY FIVE DOLLARS (\$14,175)** against the

Respondent for the above-described violations. Civil penalties under Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), may be assessed by Administrative Order. In addition, the Respondent will spend a minimum of **FORTY NINE THOUSAND THREE HUNDRED AND EIGHTY TWO DOLLARS (\$49,382)** to perform a Supplemental Environmental Project (SEP) discussed below in Section V.

IV. Consent Agreement

24. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set forth above and neither admits nor denies the factual allegations set forth above.
25. Respondent waives its right to a hearing on the allegations contained herein and its right to appeal the proposed Final Order accompanying the Consent Agreement.
26. Respondent consents to the assessment of the penalty proposed by the EPA and agrees to pay the civil penalty as set forth in this CAFO.
27. Respondent agrees to complete the SEP set forth in this CAFO.
28. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of FIFRA.
29. Compliance with this CAFO shall resolve the allegations of the violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States. Other than as expressed herein, neither the EPA nor Complainant waives any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

Interest will therefore begin to accrue on the civil penalty from the effective date of this CAFO, if the penalty is not paid by the date required.
