Re: Termination of Findings of Violation and Order for Compliance
Docket No. CWA-07-2019-0188, Ridgeview Road Extension – Lenexa, Kansas

Dear Ms. Lewis and Mayor Boehm:

On May 8, 2019, the U.S. Environmental Protection Agency issued the referenced Findings of Violation and Order for Compliance to Pyramid Contractors, Inc. and the City of Lenexa under the authority of Section 309(a) of the Clean Water Act (CWA), 33 U.S.C. § 1319(a). The EPA has reviewed the information submitted in response to the required compliance activities outlined in paragraphs 50 through 53 of the Order and has determined that those requirements have been adequately met. This letter serves as a notification to you that the EPA is terminating the Order. The EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

Termination of this Order in no way relieves you of the obligation to comply with your National Pollutant Discharge Elimination System permit and all applicable statutes and regulations. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Cynthia Sans, of my staff, at (913) 551-7492, or Catherine Chiccine in the Office of Regional Counsel at (913) 551-7917.

Sincerely,

David Cozad
