Re: CHEMCENTRAL Midwest Corporation - Docket Nos. CAA-07-2007-0045 and  
EPCRA - 07-2007-0045

Dear Ms. Robinsin:

I am writing to follow up on my August 14, 2007 letter regarding an extension in the above-referenced Administrative Case. The purpose for the extension is to allow the parties to meet for a Settlement Conference. Due to vacations and other commitments, U.S. EPA and CHEMCENTRAL Midwest Corporation were not able to set up a Settlement Conference prior to the original date for responding. A Settlement Conference is set for mid-September, and so the October 10, 2007 date was agreed upon by U.S. EPA and CHEMCENTRAL Midwest Corporation to allow time for either completing a settlement or preparing and filing a response. I apologize for not having provided this information in my original letter.

Very truly yours,

Louis M. Rudio, Jr.
