ISSUE A FINAL ORDER

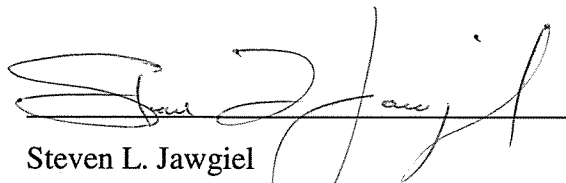

By written motion filed January 11, 2017, the United States Environmental Protection Agency (Complainant) seeks approval of the parties' Consent Agreement, and requests a Final Order.

Consolidated Rules of Practice at 40 C.F.R. § 22.45 set forth the rules governing public notice and comment in proceedings for Class II Administrative Proceedings un Section 309(g) of the Clean Water Act, 33 U.S.C. § 1319(g), 33 U.S.C. § 1319(g). The proposed Consent Agreement is subject to the mandatory notice and public comment requirements of 40 C.F.R. § 22.45(b). Complainant's supporting documents verify that Complainant properly issued public notice of the proposed Consent Agreement and Final Order and that Complainant received no comments in response to the public notice. Complainant also submitted adequate evidence demonstrating that it complied with the public notice requirements set forth in 40 C.F.R. § 22.45(b).

IT IS THEREFORE ORDERED THAT:
