Docket No. CWA-07-2006-0057

ORDER DIRECTING STATUS REPORT

Long ago, in the context of seeking extensions from compliance with this Court's Prehearing Order, the parties asserted that this case has been settled. Now, some four-plus months after the Prehearing Order was issued, a Consent Agreement has yet to have been delivered. Accordingly, the Court needs to schedule this case for a hearing. However, before doing that, in order to save the expense and time associated with arrangements for the hearing, **the Court directs that the parties submit a status report no later than Friday, November 3, 2006**, advising the Court about this matter, including whether, in fact, a Consent Agreement has been entered into by the them.
