UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION 5

77 WEST JACKSON BOULEVARD
CHICAGO, ILLINOIS 60604-3590

CAA-05-2019-0003

DOCKET NO: RMP-18-ESA-016

This ESA is issued to: Olin Chlor Alkali Products and Vinyls
at: 15185 Main Street, Lemont, Illinois 60439
for violations of Section 112(r)(7) of the Clean Air Act.

EXPEDITED SETTLEMENT AGREEMENT

The United States Environmental Protection Agency, Region 5, and Olin Chlor Alkali Products and Vinyls ("Respondent"), have agreed to the settlement of this action before the filing of a Complaint. EPA and Respondent (jointly "the Parties") have agreed that settling this action without the filing of a Complaint, or the adjudication of any issue of fact or law, is in their interest and in the public interest. This action is thus simultaneously commenced and concluded by this Expedited Settlement Agreement ("ESA") and Final Order. *See* 40 C.F.R. §§ 22.13(b) and 22.18(b)(2)-(3).

This is an administrative action for the assessment of civil penalties instituted pursuant to EPA's authority under Sections 113(a)(3) and (d) of the Clean Air Act ("Act"), 42 U.S.C. § 7413(a)(3) and (d). The Director of the Superfund Division, Region 5, EPA ("Complainant") has been delegated the authority to issue an administrative complaint seeking the assessment of civil penalties for violations of Section 112(r) of the Act, 42 U.S.C. § 7412(r). The Regional Administrator for Region 5 of EPA is authorized by Sections 113(a)(3) and (d)(1) of the Act, 42 U.S.C. §§ 7413(a)(3), and (d)(1), to issue a Final Order ratifying this ESA. The Regional Administrator has delegated the authority to issue Final Orders ratifying settlements pursuant to 40 C.F.R. §§ 22.13(b) and 22.18(b)(3) to the Regional Judicial Officer, Office of Regional Counsel, EPA Region 5.

ALLEGED VIOLATIONS

On April 17, 2018, an authorized EPA representative conducted a compliance inspection of the Olin Chlor Alkali Products and Vinyls ("Facility") to determine its compliance with the Risk Management Program ("RMP") regulations promulgated pursuant to Section 112(r) of the Act, and set forth at 40 C.F.R. Part 68. Based on the April 17, 2018 inspection, EPA has determined that Respondent violated the following regulations:

1. 40 C.F.R. § 68.67(e) Respondent failed to establish a system to promptly address the process hazard analysis team's findings and recommendations; assure that the recommendations are resolved in a timely manner and that the resolution is documented; document what actions are to be taken; complete actions as soon as possible; and develop a written schedule for when these actions are to be completed.

2. 40 C.F.R. § 68.79(d) Respondent failed to promptly determine and document an appropriate response to each of the findings of the compliance audit and document that the deficiencies have been corrected.

SETTLEMENT

In consideration of Respondent's size of business, its full compliance history, its good faith efforts to comply, other factors as justice may require, and upon consideration of the entire record, the parties enter into this ESA in order to resolve any civil penalties for these alleged violations for the total penalty amount of **\$1,800**.

This settlement is subject to the following terms and conditions:

By signing below, Respondent consents to, and is bound by, the terms and conditions of this ESA, including the assessment of the civil penalty set forth above. Respondent admits the jurisdictional allegations in the ESA, and waives any objections that it may have regarding jurisdiction. Respondent waives its right to contest the specific factual allegations contained herein, and neither admits nor denies these specific factual allegations. Respondent acknowledges that pursuant to 40 C.F.R. § 22.15(c), and Section 113(d)(2)(A) of the Act, 42 U.S.C § 7413(d)(2)(A), it has the right to request a hearing on any material fact, or on the appropriateness of the penalty, but Respondent waives its rights to such a hearing. Respondent also waives its right to appeal this ESA and the accompanying Final Order.

Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations set forth in this ESA, and has sent a cashier's check or certified check (payable to the "Treasurer, United States of America") in the amount of **\$1,800** in payment of the full penalty amount to the following address:

U.S. Environmental Protection Agency

U.S. Environmental Protection Agency

Upon Respondent's submission of the signed original ESA, and the issuance of the Final Order, Respondent's liability is resolved only for any federal civil penalties due as a result of the facts and violations alleged in this ESA. This ESA, the Final Order, and Respondent's full payment of the civil penalty set forth herein, do not affect the right of EPA to pursue appropriate injunctive, other equitable relief, or criminal sanctions for any violations of law. EPA also does not waive any enforcement authority for any other violation of the Act or any other statute. The issuance of the Final Order does not waive, extinguish, or otherwise affect Respondent's duty to comply with the Act, the regulations promulgated thereunder, or any other applicable law or requirement.

If the signed original ESA **with an attached copy of the check** is not returned to the EPA **Region 5 office** at the above address in correct form by Respondent within 45 days of the date of Respondent's receipt of this ESA (90 days if an extension is granted), the proposed ESA is withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations identified in this ESA.

This ESA is binding on the Parties signing below.

Each Party to this action shall bear its own costs and fees, if any.

This ESA is effective upon filing with the Regional Hearing Clerk.
