Re: Closure of Administrative
Docket No. SDWA-08-2007-0053
Craig Bar Public Water System
PWS ID # MT0002077

Dear Mr. Duvall:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket No. SDWA-08-2007-0053, issued to you, as owner and operator of the Craig Bar public water system on July 11, 2007. The EPA has determined that the Craig Bar public water supply system has complied with the terms of the Order and, therefore, we will close it at this time.

Please be aware that Craig Bar is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Meredith at 406-457-5026. Thank you for resolving these issues.

Sincerely,

Julie A. DalSoglio, Director
EPA Region 8 Montana Office
