RE: Emergency Administrative Order Closure
Docket No. SDWA-08-2007-0064
PWS ID #5600478

Dear Mr. Christiansen:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Emergency Order, Docket Number SDWA-08-2007-0064, issued to Shoshone Lodge and Guest Ranch, Inc., on July 11, 2007. This decision is based upon bacteriological samples taken in August and September testing negative for E. coli after the spring source was permanently removed from the System. This decision has no bearing on the System's need to comply with the EPA requirements resulting from your System's source being determined as ground water under the direct influence of surface water.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

We appreciate your cooperation. If you have any questions regarding this matter, please contact Kathelene Brainich, Environmental Protection Specialist, at (303) 312-6481.

Sincerely,

Lisa Kahn, Team Lead
