Re: CLOSURE of Notice of Violation

Docket No. SDWA-08-2010-0018

Holden Town Water
Public Water System
PWS ID # UTAH14013

Dear Mr. Bousfield:

This letter is to advise you formally of the decision of the U.S. Environmental Protection Agency (EPA) to close the Notice of Violation, Docket No. SDWA-08-2010-0018, sent on February 8, 2010, for violations of the Safe Drinking Water Act and its implementing regulations by the Holden Town Water public water system (the system). EPA will not pursue further enforcement action at this time. This decision is based on information provided by your staff that your program entered into a formal Bilateral Compliance Agreement with the system on April 8, 2010.

I would like to thank you and your staff for their work with EPA and the system to protect public health.

Sincerely,

Lisa Kahn, Team Leader

Office of Enforcement, Compliance
And Environmental Justice
