Re: Closure of Administrative Order
Docket No. SDWA-08-2007-0025
PWS ID# MT0003666

Dear Mr. Watson:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close Administrative Order, Docket No. SDWA-08-2007-0025, issued to Country View Mobile Home Park on February 6, 2007. In your letter of February 21, 2007, you stated Country View Mobile Home Park (Country View) has 13 connections and serves fewer than 20 people. The National Primary Drinking Water Regulations (NPDWRs) do not apply to water systems serving fewer than 15 connections and fewer than 25 people.

At such time as the Country View serves either 15 or more connections or 25 or more people, Country View would be required to comply with all relevant provisions of the NPDWRs, 40 C.F.R. part 141, and the Administrative Rules of Montana (ARM) 17-38-2, Public Water Supply Requirements.

If have any questions, please call Eric Finke, Environmental Protection Specialist, at 406-457-5026 or Amy Swanson, Enforcement Attorney, at 303-312-6906.

Sincerely,

John F. Wardell
Director
