CHICAGO, ILLINOIS 60604-3590

DOCKET NO: RMP-17-ESA-002

This ESA is issued to: Advanced Micronutrient Products, Inc.

at: 2405 W. Vassar Road, Reese, Michigan 48757

for violations of Section 112(r)(7) of the Clean Air Act.

CAA-05-2017-0015

EXPEDITED SETTLEMENT AGREEMENT

The United States Environmental Protection Agency, Region 5, and Advanced Micronutrient Products, Inc. (“Respondent”), have agreed to the settlement of this action before the filing of a Complaint. EPA and Respondent (jointly “the Parties”) have agreed that settling this action without the filing of a complaint or the adjudication of any issue of fact or law is in their interest and in the public interest. This action is thus simultaneously commenced and concluded by this Expedited Settlement Agreement (“ESA”) and Final Order. *See* 40 C.F.R. §§ 22.13(b) and 22.18(b)(2)-(3).

This is an administrative action for the assessment of civil penalties instituted pursuant to EPA’s authority under Sections 113(a)(3) and (d) of the Clean Air Act (“Act”), 42 U.S.C. § 7413(a)(3) and (d). The Director of the Superfund Division, Region 5, EPA (“Complainant”) has been delegated the authority to issue an administrative complaint seeking the assessment of civil penalties for violations of Section 112(r) of the Act, 42 U.S.C. § 7412(r). The Regional Administrator for Region 5 of EPA is authorized by Sections 113(a)(3) and (d)(1) of the Act, 42 U.S.C. §§ 7413(a)(3), and (d)(1), to issue a Final Order ratifying this ESA.

ALLEGED VIOLATIONS

On July 13, 2016, an authorized EPA representative conducted a compliance inspection of Advanced Micronutrient Products, Inc., 2405 W. Vassar Road, Reese, Michigan 48757 (“Facility”) to determine its compliance with the Risk Management Plan (“RMP”) regulations promulgated pursuant to Section 112(r) of the Act, and set forth at 40 C.F.R. Part 68. Based on the July 13, 2016 inspection and documents submitted by Respondent, EPA has determined that Respondent violated the following regulations:

1. 40 C.F.R. § 68.67(e) Respondent failed to establish a system to promptly address the Process Hazard Analysis team’s findings and recommendations; assure that the recommendations are resolved in a timely manner and that the resolution is documented; document what actions are to be taken; complete action as soon as possible; and develop a written schedule of when these actions are to be completed.
2. 40 C.F.R. § 68.79(d) Respondent failed to promptly determine and document an appropriate response to each of the findings of the compliance audit.

SETTLEMENT

In consideration of Respondent's full compliance history, its good faith efforts to comply, other factors as justice may require, and upon consideration of the entire record, the parties enter into this ESA in order to resolve any civil penalties for these alleged violations for the total penalty amount of **\$1,800**.

This settlement is subject to the following terms and conditions:

By signing below, Respondent consents to, and is bound by, the terms and conditions of this ESA, including the assessment of the civil penalty set forth above. Respondent admits the jurisdictional allegations in the ESA, and waives any objections that it may have regarding jurisdiction. Respondent waives its right to contest the specific factual allegations contained herein, and neither admits nor denies these specific factual allegations. Respondent acknowledges that pursuant to 40 C.F.R. § 22.15(c), and Section 113(d)(2)(A) of the Act, 42 U.S.C. § 7413(d)(2)(A), it has the right to request a hearing on any material fact, or on the appropriateness of the penalty, but Respondent waives its rights to such a hearing. Respondent also waives its right to appeal this ESA and the accompanying Final Order.

Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations set forth in this ESA, and has sent a cashier's check or certified check (payable to the "Treasurer, United States of America") in the amount of **\$1,800** in payment of the full penalty amount to the following address:

Upon Respondent's submission of the signed original ESA and the issuance of the Final Order, Respondent's liability is resolved only for any federal civil penalties due as a result of the facts and violations alleged in this ESA. This ESA, the Final Order, and Respondent's full payment of the civil penalty set forth herein, do not affect the right of EPA to pursue appropriate injunctive, other equitable relief, or criminal sanctions for any violations of law. EPA also does not waive any enforcement authority for any other violation of the Act or any other statute. The issuance of the Final Order does not waive, extinguish, or otherwise affect Respondent's duty to comply with the Act, the regulations promulgated there under, or any other applicable law or requirement.

If the signed original ESA **with an attached copy of the check** is not returned to the **EPA Region 5 office** at the above address in correct form by Respondent within 45 days of the date of Respondent's receipt of this ESA (90 days if an extension is granted), the proposed ESA is withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations identified in this ESA.
