

Mr. Oh had recently filed a Chapter 11 bankruptcy petition and asked that Complainant provide him with the EPA financial forms needed to support a claim by Mr. Oh that he is unable to pay the proposed penalty. The parties also briefly discussed the actions Respondents must take to come into compliance with the underground storage tank regulations.

On March 29, 2012, Complainant emailed to Mr. Oh and Mr. Tift financial documentation forms, directing Mr. Oh to complete and return the forms to counsel for Complainant by April 18, 2012. Complainant also mailed the forms to Mr. Oh by first class mail.

Upon receipt and review of the requested financial documentation, Complainant will contact Mr. Oh and Mr. Tift to determine if a settlement agreement can be reached in this matter.

Respectfully submitted this 29th day of March, 2012.
