ORDER GRANTING SECOND EXTENSION
OF TIME TO FILE ANSWER

By a motion filed by Borla Performance Industries, Inc. (Respondent) on August 17, 2020, the parties seek an extension of time, up to and including September 28, 2020, for Respondent to respond to the Complaint in this action. The United States Environmental Protection Agency (Complainant) does not object to Respondent's motion.

Pursuant to The Consolidated Rules of Practice at 40 C.F.R. § 22.07(b), the Presiding Officer may grant a motion for an extension of time to respond to a complaint "for good cause shown, and after consideration of prejudice to other parties." Based on the information in the moving papers and my communications with the parties, I conclude good cause exists for granting Respondent's request for the above-referenced extension.

IT IS THEREFORE ORDERED THAT:

The time for Respondent to respond to the Complaint and request a hearing is extended to and including September 28, 2020.
