Re: Compliance Order/Settlement Agreement for the Trailside Convenience Bait and
Tackle **RUST-05-2015-0007**

Dear Ms. Kacon:

On April 17, 2014, the U.S. Environmental Protection Agency, Underground Storage Tank Section sent a letter to Trailside Convenience Bait and Tackle, located at 750 Highway 47 in Isle, Minnesota. The letter included a Notice of Violation and Compliance Order/Settlement Agreement, dated April 7, 2014, concerning violations found during a compliance inspection conducted at the facility.

We have received your signed original copy of the Settlement Agreement, dated April 28, 2014 and the check for \$210 in penalties. We have reviewed the original copy of the Settlement Agreement where you have indicated that the violations of the underground storage tanks regulations for which you were cited have been corrected.

The Settlement Agreement states that it is effective upon the EPA's final approval. This is to inform you that I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA files. We also have accepted and processed your check as part of the settlement process. If you have any further questions, please feel free to contact Mark Restaino, of my staff, at 312-886-0394.

Sincerely,

Gary J. Victorine, Chief
