IV. FINDINGS OF FACT AND CONCLUSIONS OF LAW

11. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the Act), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. The Act amended TSCA by adding *Subchapter IV – Lead Exposure Reduction*, TSCA Section 401 to 412, 15 U.S.C. §§ 2681 to 2692.
12. Section 402(c) of TSCA, 15 U.S.C § 2682, required the Administrator of EPA to promulgate regulations for the certification of individuals engaged in renovation or remodeling activities in target housing, public buildings built before 1978, and commercial buildings.
13. Section 407 of TSCA, 15 U.S.C. § 2687 required that the regulations promulgated by the Administrator include such record keeping and reporting requirements as may be necessary to insure the effective implementation of TSCA Subchapter IV.
14. EPA promulgated the Renovation, Repair and Painting Rule (the "RRP Rule") codified at 40 C.F.R. Part 745, Subpart E, Residential Property Renovation.
15. Under the RRP rule, each person who performs for compensation, a renovation of target housing or a child-occupied facility must be trained and certified by an EPA accredited training provider to conduct renovation, remodeling and or painting activities in target housing and or child-occupied facilities or must be employed by an EPA-certified

renovation firm.

16. 40 C.F.R. § 745.83 defines “person” to mean any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government.
17. 40 C.F.R. § 745.83 defines “renovation” to mean the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223. The term “renovation” includes (but is not limited to): the removal, modification or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (e.g., walls, ceilings, plumbing, windows); weatherization projects (e.g., cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planning thresholds to install weather stripping), and interim controls that disturb painted surfaces.
18. 40 C.F.R. § 745.83 defines “renovator” to mean an individual who either performs or directs workers who perform renovations. A certified renovator is a renovator who has successfully completed a renovator course accredited by EPA or an EPA-authorized State or Tribal program.
19. 40 C.F.R. § 745.103 defines “target housing” to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six (6) years of age resides or is expected to reside in such housing) or any zero-bedroom dwelling.
20. 40 C.F.R. § 745.85(a) requires that renovations must be performed by certified firms, in accordance with 40 C.F.R. § 745.89, using certified renovators in accordance with 40 C.F.R. § 745.90.
21. 40 C.F.R. § 745.83 defines “firm” to mean a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.
22. Failure to comply with any provision of 40 C.F.R. Part 745, Subpart E, of the RRP rule violates Section 409 of TSCA, 15 U.S.C. § 2689, which may subject the violator to administrative penalties under Section 16(a) of TSCA, 15 U.S.C. § 2615(a) and 40 C.F.R. § 745.87(d).
23. Respondent is and at all times referred to herein was a “person” within the meaning of 40 C.F.R. § 745.83.
24. Respondent is a “firm” and a “renovator” as those terms are defined by 40 C.F.R. § 745.83.

25. Respondent performed “renovations” as that term is defined by 40 C.F.R. § 745.83.
26. On October 5, 2011, duly authorized EPA inspectors conducted an inspection at Respondent’s place of business to determine Respondent’s level of compliance with the RRP Rule.
27. During the inspection, the inspectors collected, among other things, three renovation contracts, for renovations conducted at “target housing” as that term is defined by 40 C.F.R. § 745.103.
28. On or about November 4, 2010, Respondent signed a contract to perform a renovation on a property located at 3300 Brown Avenue, North Versailles, PA 15137. This property was constructed before 1978.

30. On or about December 2, 2010, Respondent signed a contract to perform a renovation on a property located at 815 Washington Avenue, Braddock, PA 15104. This property was constructed before 1978.
31. The properties described in paragraphs 28, 29, and 30 above are “target housing” as that term is defined by 40 C.F.R. § 745.103.

V. VIOLATIONS

Counts I - III

32. The allegations contained in Paragraphs 1 through 31 of this Consent Agreement are incorporated by reference herein as though fully set forth at length.
33. Pursuant to 40 C.F.R. § 745.86, firms performing renovations must retain and, if requested, make available to EPA all records necessary to demonstrate compliance with RRP Rule for a period of three (3) years following completion of the renovation.
34. Pursuant to 40 C.F.R. § 745.86(b), Respondent is required to retain and provide documentation of compliance with the work practice standards found in 40 C.F.R. § 745.85(a) and the post renovation cleaning verification standards found in 40 C.F.R. § 745.85(b).
35. During the October 5, 2011 inspection, the EPA inspectors collected three contracts for renovations described in paragraphs 28, 29, and 30 above.
36. Respondent failed to provide and/or retain records documenting compliance with 40

C.F.R. § 745.85(a) for the contracts, which are violations of 40 C.F.R. § 745.86.

37. Respondent's failure to provide and/or retain records are violations of Section 409 of TSCA, 15 U.S.C. § 2689, which subjects Respondent to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

VI. CIVIL PENALTY

38. In settlement of EPA's claims for civil penalties assessable for the violations alleged in this Consent Agreement, Respondent consents to the assessment of a civil penalty in the amount of one thousand two hundred sixty dollars (\$1,260.00) which Respondent shall be liable to pay in accordance with the terms set forth below. Such civil penalty amount shall become due and payable immediately upon Respondent's receipt of a true and correct copy of this CAFO. In order to avoid the assessment of interest, administrative costs and late payment penalties in connection with such civil penalty, Respondent must pay such civil penalty no later than THIRTY (30) CALENDAR DAYS after the date on which a true and correct copy of the signed and executed CAFO is mailed or hand-delivered to Respondent.
39. The aforesaid settlement amount is based upon Complainant's consideration of a number of factors, including the penalty criteria set forth in Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B), *i.e.*, the nature, circumstances, extent and gravity of the violations, and with respect to the Respondent's, ability to pay, effect on ability to continue to do business, any history of prior such violations, the degree of culpability, and such other matters as justice may require. These factors were applied to the particular facts and circumstances of this case with specific reference to EPA's *Lead-Based Paint Consolidated Enforcement Response Policy*, and 40 C.F.R. Part 19.
40. Payment of the civil penalty amount described in Paragraph 38, shall be made by either cashier's check, certified check or electronic wire transfer, in the following manner:

43. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a copy of this CAFO is mailed or hand-delivered to the Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. §13.11(a).

45. A penalty charge of six (6) percent per year will be assessed monthly on any portion of the civil penalty which remains delinquent more than ninety (90) calendar days. 40 C.F.R. §13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
46. Respondent agrees not to deduct for federal tax purposes the civil penalty specified in this Consent Agreement and the accompanying Final Order.

47. The settlement set forth in this CAFO shall constitute full and final satisfaction of all civil claims for penalties, which Complainant may have under TSCA for the specific violations alleged in Section V ("Violations"), above. Compliance with this CAFO shall not be a defense to any action commenced at any time for any other violation of the federal laws and regulations administered by EPA.

VIII. OTHER APPLICABLE LAWS

Acting Regional Counsel (3RC00)

EPA and Window World Penn-Ohio ("Respondent") have negotiated the attached Super Consent Agreement and Final Order ("SCAFO") in settlement of a lead-based paint enforcement matter. This SCAFO resolves violations by the Respondent of the Renovation, Repair and Painting (RRP) Rule. The Land and Chemicals Division Director has executed the Consent Agreement section of the SCAFO.

The Region alleged that the Respondent violated the RRP by performing renovations on target housing with lead-based paint without retaining records to show that they complied with the RRP Rule's standards for safe practices during the renovation and for post renovation cleaning verification. During an inspection of the Respondent's office, the inspector found that the Respondent did not have the required records for three homes it had renovated. According to evidence presented by the Respondent, it is now in compliance with the RRP Rule.

In settlement, the Respondent has agreed to pay a penalty of \$1,260.00. This civil penalty is based upon a consideration of the factors set forth in Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B), i.e., the nature, circumstances, extent and gravity of the violations, and with respect to the Respondent's, ability to pay, effect on ability to continue to do business, any history of prior such violations, the degree of culpability, and such other matters as justice may require.

The Respondent's legal counsel is Peter N. Georgiades. His phone number is 412-381-8100. His email address is peterg@greystonelaw.com.

We request that you sign the Final Order of the attached SCAFO and return it to Philip

Yeany in the Office of Regional Counsel.
