Docket No. CWA-02-2010-3815

U.S. ENVIRONMENTAL  
PROTECTION AGENCY-REG.11  
2011 MAR -9 P 12: 23  
REGIONAL HEARING  
CLERK

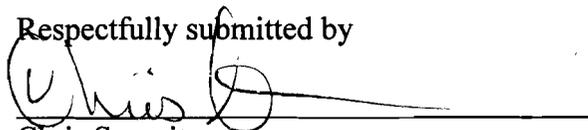

**JOINT MOTION FOR EXTENSION OF TIME**  
**TO FILE THE ANSWER**

The answer in this matter was originally due on November 11, 2010. On November 5, 2010, and again on January 7, 2011, the parties moved for 60-day extensions of time to file the answer, respectively. Both motions were granted, and the answer is currently due on March 11, 2011.

In that time, the parties have been actively engaged in settlement discussions. However, due to difficulties in assessing the respondent's defensive contentions posed by the geographical distance of the subject facility, Complainant has not completed its technical review of relevant submissions. It is anticipated that this review will be completed within three weeks, at which time the parties will reconvene to continue settlement discussions.

Therefore, on behalf of the parties, Complainant hereby requests a 30-day extension of the date to file an answer.
