CONSENT AGREEMENT

Docket No. CWA-08-2007-0016

Complainant, the United States Environmental Protection Agency, Region 8 (EPA) and Respondent, Samson Resources Company, by their undersigned representatives, hereby consent and agree as follows:

1. On September 4, 2007, Complainant issued an Administrative Complaint and Notice of Opportunity for Hearing alleging a violation of sections 301 and 402 of the Clean Water Act, 33 U.S.C. §§ 1311 and 1342. The Complaint proposed a civil penalty for the violation alleged therein.
2. Respondent admits the jurisdictional allegations of the Complaint and neither admits nor denies the specific factual allegations of the Complaint.
3. Respondent waives its right to a hearing before any tribunal to contest any issue of law or fact set forth in the Complaint or in this Consent Agreement.
4. Complainant asserts that settlement of this matter is in the public interest, and Complainant and Respondent agree that entry of this Consent Agreement without further litigation is the most appropriate means of resolving this matter.
5. This Consent Agreement, upon incorporation into a final order, applies to and is binding upon EPA and upon Respondent and Respondent's successors and assigns. Any change in ownership or corporate status of Respondent, including, but not limited to, any transfer of assets

or real or personal property, shall not alter Respondent's responsibilities under this agreement.

This Consent Agreement contains all the terms of the settlement agreed to by the parties.

6. Respondent consents and agrees, for the purposes of settlement, to pay a civil penalty in the amount of seven thousand dollars (\$7,000.00) in the manner described in this paragraph:

- a. Payment is due within 30 calendar days from the date written on the Final Order, issued by the Regional Judicial Officer, that adopts this Consent Agreement. If the due date falls on a weekend or legal federal holiday, the due date is the next business day. Payments must be received by 12:00 p.m. Central Standard Time to be considered as received that day.
- b. Payment shall be made by one of the following methods:

In addition, a six percent (6%) per annum penalty shall be assessed on any unpaid principal amount if payment is not received within 90 days of the due date (i.e. the 121st day from the date the final order is signed). Payments are first applied to handling charges, 6% penalty interest, late interest, and any balance is then applied to the outstanding principal amount.
 - f. Respondent agrees that the payment provided for herein shall never be claimed as a federal or other tax deduction or credit.
7. Nothing in this Consent Agreement shall relieve Respondent of the duty to comply with the Clean Water Act and its implementing regulations.
8. Failure by Respondent to comply with any of the terms of this Consent Agreement shall constitute a breach of the Consent Agreement and may result in referral of the matter to the Department of Justice for enforcement of this agreement and for such other relief as may be appropriate.
9. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any

collection action instituted as a result of Respondent's failure to perform pursuant to the terms of this Consent Agreement.

10. The undersigned representative of Respondent certifies that he/she is fully authorized to enter into the terms and conditions of this Consent Agreement and to bind Respondent to the terms and conditions of this Consent Agreement.

11. The parties agree to submit this Consent Agreement to the Regional Judicial Officer, with a request that it be incorporated into a final order.

12. Each party shall bear its own costs and attorneys fees in connection with this matter.

13. This Consent Agreement, upon incorporation into a final order by the Regional Judicial Officer and full satisfaction by the parties, shall be a complete and full civil settlement of the specific violations alleged in the Complaint.
