I. PRELIMINARY STATEMENT

1. This Consent Agreement and Final Order ("CAFO") is issued under the authority vested in the United States Environmental Protection Agency ("EPA") pursuant to Section 309(g) of the Clean Water Act ("Act"), 33 U.S.C. § 1319(g). This CAFO is issued in accordance with 40 C.F.R. § 22.18, as described in the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits."
2. On August 21, 2014, EPA Region 6 issued to Respondent an Administrative Complaint ("Complaint") under Section 309(g) of the Act, 33 U.S.C. § 1319(g), which proposed to assess a civil penalty against Respondent, and gave notice of Respondent's opportunity to request a hearing on the proposed administrative penalty assessment.
3. EPA and Respondent ("Parties") agree that settlement of the relevant matters without ~~litigation will save time and resources, that it is in the public's interest, and that the entry of this~~ CAFO is the most appropriate means of resolving such matters. Compliance with all the terms and conditions of this CAFO resolves only those violations alleged in the Complaint.

4. Respondent admits the jurisdictional allegations of the Complaint; however, Respondent neither admits nor denies the specific factual allegations and conclusions of law contained in the Complaint or the Findings of Fact and Conclusions of Law contained in this CAFO.

5. Respondent expressly waives any right to contest the factual allegations or conclusions of law contained in the Complaint and this CAFO and waives its right to appeal the Final Order set forth herein.

6. Before the taking of any testimony, and without adjudication of any issue of law or fact, the Parties agree to the terms of this CAFO and to its issuance. Respondent consents to the assessment and payment of a civil penalty in the amount and by the method stated below.

II. FINDINGS OF FACT AND CONCLUSIONS OF LAW

7. Harper Valley Homeowners' Association, Inc. ("Respondent") is a "person," as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

8. At all times relevant to this Order, Respondent owned or operated a wastewater treatment plant located in the Harper Valley Subdivision, San Juan County, New Mexico ("facility"), and was, therefore, an "owner or operator" within the meaning of 40 C.F.R. § 122.2. At all relevant times, the facility acted as a "point source" of a "discharge" of "pollutants" with its wastewater to the receiving waters named the San Juan River, Waterbody Segment Code No. 20.6.4.401 of the San Juan River Basin, which is considered a "water of the United States" within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2.

9. The Complaint specified findings of fact and conclusions of law that are hereby incorporated by reference and alleged, among other things, that at the relevant times: Respondent was a "person" that "owned or operated" a facility that was a "point source" subject to a "discharge" of

“pollutants” to identified “waters of the United States” within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2. Respondent and the facility were subject to the provisions of the Act, 33 U.S.C. § 1251 *et seq.*, and the National Pollutant Discharge Elimination System (“NPDES”) program; and Respondent violated Section 301 of the Act, 33 U.S.C. § 1311, by discharging pollutants to waters of the United States without permit authorization, as specified in the Complaint.

10. With the issuance of the Complaint, the State of New Mexico was notified and given an opportunity to consult with EPA regarding the proposed assessment of an administrative penalty against Respondent.

11. EPA notified the public of the Complaint via the internet at <http://www.epa.gov/earth1r6/6en/public.html>, and afforded the public thirty (30) days to comment on the Complaint and proposed penalty. At the expiration of the notice period, EPA received no comments from the public.

Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. See 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

18. Pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9), any person who fails to pay on a timely basis a civil penalty ordered or assessed under this section shall be required to pay, in addition to such penalty and interest, the United States' enforcement expenses including, but not limited to, attorneys' fees and costs incurred by the United States for collection proceedings, and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be twenty percent (20 %) of the aggregate amount of such person's outstanding penalties and nonpayment penalties accrued as of the beginning of each quarter.

19. Failure by Respondent to pay the penalty assessed according to the terms of this CAFO, in full, by its due dates, may subject Respondent to a civil action to collect the assessed penalty and any accrued interest and penalties.

20. In the event a collection action is necessary, Respondent shall pay - in addition to any applicable penalty, fees, and interest described herein - all reasonable costs and expenses, including legal expenses and court costs, incurred by the United States for enforcement and collection proceedings for nonpayment of the amounts agreed hereunder, pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9). In any such collection action, the validity, amount, and appropriateness of the penalty, and the terms of this CAFO shall not be subject to review.
