Re: Administrative Order Addendum #3, Big Valley and Crossed Arrows Improvement District,
PWS ID #5601193, Docket # SDWA-08-2014-0010

Dear Mr. McBroom:

This letter is the third addendum to the Administrative Order (Order) issued on March 25, 2014, to the Big Valley and Crossed Arrows Improvement District (District). The purpose of this letter is to approve the schedule extension request from you to the EPA dated June 8, 2015. The completion date to install a new water storage tank and retire the old tanks is extended from June 30, 2015, to August 31, 2015, and is hereby incorporated into the Order per paragraph 8 (page 2) of the Order.

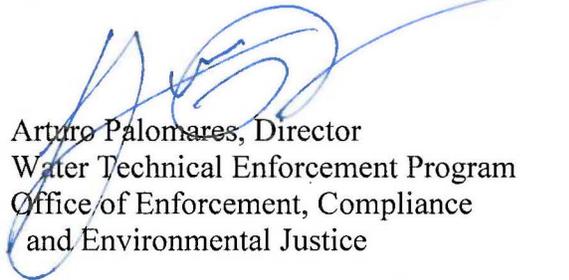

Pursuant to paragraph 11 of the Order, the System shall achieve compliance with the total coliform maximum contaminant level by the August 31, 2015, final compliance deadline in this approved schedule. The EPA is authorized to seek penalties if these deadlines are not met. If the District has a reasonable basis to believe it may be unable to meet any deadline in the schedule, it shall notify the EPA well in advance of the scheduled deadline to request an extension. The EPA may, in its discretion, consider granting an extension.

Please contact Kathelene Brainich, Environmental Protection Specialist, at (303) 312-6481 or via email at brainch.kathelene@epa.gov if you have any questions concerning this Addendum.
