STATUS REPORT AND MOTION FOR EXTENSION OF TIME

COMES NOW COMPLAINANT, the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency, Region 6, by and through its attorney, provides the following Status Report and Motion for Extension of Time.

1. Complainant and Perdue Commercial Disposal, LLC (“Respondent”) (collectively, the “Parties”) participated in a settlement conference on September 3, 2019, regarding the above-captioned matter. The Parties agreed to a settlement in principle. Complainant filed a Status Report on September 17, 2019, notifying the Regional Judicial Officer (“RJO”) of this settlement.

2. On October 8, 2019, the Parties agreed to all terms of the Consent Agreement and Final Order (“CAFO”) except for the details of a payment schedule to be included in the CAFO. On October 21, 2019, Respondent’s attorney stated that Respondent would reply promptly to the proposed payment schedule. Respondent’s attorney indicated that the delay was due to medical issues.

3. Complainant believes it would serve the interests of the agency and be a more efficient use of resources to extend all deadlines listed in the RJO’s July 31, 2019, Order in order to allow EPA to complete management review of the CAFO and procure the Parties’ signatures required to file the CAFO.

4. As such, Complaint requests that all deadlines, including the October 21, 2019, filing deadline for the CAFO, be extended by 45 days to provide adequate time to file a fully executed CAFO. Respondent does not oppose this Motion.
