NOTICE REGARDING ADDRESS FOR SERVICE

COMES NOW the Complainant, the United States Environmental Protection Agency (EPA), Region 4, and hereby responds to the "Order For Complainant to Clarify Respondent's Address for Service," in the above styled matter.

Complainant respectfully responds that the address being used to date was the last known valid address of record for the Respondent. The address is one that has been used for prior correspondence by the Agency. (See e.g., attached copy of signed green card for service of original complaint in March 2009). At the time of the re-filing of this matter, Complainant learned that Respondent also was apparently using several addresses. The service provided by the Agent was at the address where the Special Agent physically found the Respondent at the time he was effectuating service. To Complainant's knowledge, Respondent has been receiving its pleadings. (See e.g., attached November 24, 2010, UPS Delivery Notification.)

Complainant is unaware of any subsequent notice by Respondent to this court of a change or different address. Respectfully submitted this 30th day of November 2010.
