I. STATUTORY AUTHORITY

1. Pursuant to Section 309(g) of the Clean Water Act (CWA or Act), 33 U.S.C. § 1319(g), the Administrator of the United States Environmental Protection Agency (EPA) is authorized to assess administrative penalties against persons who violate Section 301(a) of the Act, 33 U.S.C. § 1311(a). The Administrator of EPA has delegated this authority to the Regional Administrator of EPA, Region III, who in turn has delegated this authority to the Director, Environmental Assessment and Innovation Division (“Complainant”).
2. This action is governed by the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits; Final Rule,” 40 C.F.R. Part 22 (hereinafter, Consolidated Rules), a copy of which is enclosed.

II. FACTUAL AND LEGAL ALLEGATIONS

3. Respondent Columbia Gas Transmission, LLC is a “person” within the meaning of Section 502(5) of the CWA, 33 U.S.C. § 1362(5).
4. Respondent, Columbia Gas Transmission, LLC, utilized equipment and conducted work in Steener Fork, adjacent to County Road 1/12, approximately 2.5 miles north of the

intersection with State Highway 89, in New Martinsville, Wetzel County, West Virginia, identified as "the Site" on the attached map labeled Exhibit "A".

5. Steener Fork is a tributary of Blake Fork, which flows to Lynn Camp Run. Lynn Camp Run flows to Fish Creek, and then to the Ohio River, a navigable-in-fact body of water. Steener Fork is "waters of the United States" within the meaning of Section 502(7) of the Act, 33 U.S.C. § 1362(7); 40 C.F.R. § 232.2; 40 C.F.R. § 122.2.
6. Respondent, or persons acting on behalf of Respondent, operated equipment which discharged dredged and/or fill material to waters of the United States described in Paragraph 5 above, and further depicted on Exhibit "A", attached hereto. Respondent's activities included filling portions of a stream channel with gravel and cobble for construction of a road.
7. The term "fill material" within the meaning of 40 C.F.R. § 232.2, includes any pollutant which replaces portions of "waters of the United States" with dry land or which changes the bottom elevation of a water body for any purpose.
8. The equipment referenced in Paragraph 4, above, which has discharged dredged and/or fill material to "waters of the United States," constitutes a "point source" within the meaning of Section 502(14) of the Act, 33 U.S.C. § 1362(14).
9. Section 301(a) of the Act, 33 U.S.C. §1311(a), prohibits the discharge of dredged and/or fill material by any person from point sources to "waters of the United States" except in compliance with a permit issued by the Secretary of the Army under Section 404 of the Act, 33 U.S.C. § 1344.
10. On information and belief, at no time during the discharge of dredged and/or fill material to the "waters of the United States" located on the Site did the Respondent have a permit from the Secretary of the Army as required by Section 404 of the Act, 33 U.S.C. § 1344.

III. FINDINGS OF VIOLATIONS

11. The allegations in Paragraphs 1-10 are incorporated as if repeated and reasserted.
12. Respondent, by discharging dredged and/or fill material to the "waters of the United States" without authorization, has violated Section 301(a) of the Act, 33 U.S.C. § 1311(a).

IV. PROPOSED CIVIL PENALTY

13. Section 309(g)(2)(B) of the CWA, 33 U.S.C. § 1319(g)(2)(B), provides that any person who has violated, *inter alia*, Section 301 of the CWA (33 U.S.C. § 1311) is liable for an administrative penalty not to exceed \$10,000 per day for each such violation, up to a total penalty amount of \$125,000.

14. Pursuant to the subsequent Civil Monetary Penalty Inflation Adjustment Rule, 40 C.F.R. Part 19 (effective January 12, 2009), any person who has violated, *inter alia*, Section 301 of the CWA (33 U.S.C. § 1311) after January 12, 2009 is liable for an administrative penalty not to exceed \$16,000 per day for each such violation occurring after January 12, 2009, up to a total penalty amount of \$177,500.
15. Based upon the foregoing allegations, and pursuant to the authority of Section 309(g)(2)(B) of the CWA, 33 U.S.C. § 1319(g)(2)(B), and in accordance with the Part 22 Procedural Rules, Complainant hereby proposes to issue a Final Order Assessing Administrative Penalties to the Respondent in the amount of Ninety-thousand dollars (\$90,000) for the violations alleged herein. This does not constitute a “demand” as that term is defined in the Equal Access to Justice Act, 28 U.S.C. § 2412.
16. The proposed penalty was determined after taking into account the nature, circumstances, extent and gravity of the violation, Respondent’s prior compliance history, ability to pay the penalty, the degree of culpability for the cited violations, and any economic benefit or savings to Respondent because of the violations. 33 U.S.C. § 1319(g)(3). In addition, to the extent that facts or circumstances unknown to Complainant or EPA at the time of issuance of this Complaint become known after issuance of this Complaint, such facts or circumstances may also be considered as a basis for adjusting the proposed administrative penalty.
17. EPA may issue the Final Order Assessing Administrative Penalties after a thirty (30) day comment period unless Respondent either responds to the allegations in the Complaint and requests a hearing according to the terms of Section V, below, or pays the civil penalty in accordance with Section VI herein (Quick Resolution).
18. If warranted, EPA may adjust the proposed civil penalty assessed in this Complaint. In so doing, the Agency will consider any number of factors in making this adjustment, including Respondent's ability to pay. However, the burden of raising the issue of an inability to pay and demonstrating this fact rests with the Respondent.
19. Neither assessment nor payment of an administrative civil penalty pursuant to Section 309 of the CWA, 33 U.S.C. § 1319, shall affect Respondent’s continuing obligation to comply with the Clean Water Act, any other Federal or State laws, and/or with any separate Compliance Order issued under Section 309 of the Act, 33 U.S.C. § 1319, for the violations alleged herein.

V. ANSWER TO COMPLAINT AND OPPORTUNITY TO REQUEST HEARING

20. Respondent must file an Answer to this Complaint; failure to file an Answer may result in entry of a Default Judgment against Respondent. Respondent's default constitutes a binding admission of all allegations made in the Complaint and waiver of Respondent's right to a Hearing under the CWA. The civil penalty proposed herein shall then become due and payable upon issuance of the Default Order as provide in 40 C.F.R. § 22.17(d).

21. Respondent's failure to pay the entire penalty assessed by the Default Order by its due date will result in a civil action to collect the assessed penalty, plus interest, attorney's fees, costs, and an additional quarterly nonpayment penalty pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9). In addition, a Default Penalty is subject to the provisions relating to imposition of interest, penalty and handling charges set forth in the Federal Claims Collection Act at the rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717.
22. Any Answer must clearly and directly admit, deny, and/or explain each of the factual allegations contained in the Complaint with respect to which the Respondent has any knowledge, or clearly and directly state that the Respondent has no knowledge as to particular factual allegations in the Complaint. The Answer shall also indicate the following:
 - a. Specific factual and legal circumstances or arguments which are alleged to constitute any grounds of defense;
 - b. Specific facts that Respondent disputes;
 - c. Respondent's basis for opposing the proposed penalty; and
 - d. Whether Respondent requests a hearing.

Failure to admit, deny or explain any of the factual allegations in the Complaint constitutes admission of such allegations.

23. Pursuant to Section 309(g)(2)(B) of the Act, 33 U.S.C. § 1319(g)(2)(B) and 40 C.F.R. § 22.15, Respondent may request a hearing on the proposed civil penalty within thirty (30) days of receiving this Complaint.
24. EPA is obligated, pursuant to Section 309(g)(4)(A) of the Act, 33 U.S.C. § 1319(g)(4)(A), to give members of the public notice of and an opportunity to comment on this proposed penalty assessment.
25. If Respondent requests a hearing on this proposed penalty assessment, members of the public who submitted timely comments on this proposed penalty assessment will have a right under Section 309(g)(4)(B) of the Act, 33 U.S.C. § 1319(g)(4)(B), to not only be notified of the hearing but also to be heard and to present evidence at the hearing on the appropriateness of this proposed penalty assessment.
26. If Respondent does not request a hearing, EPA will issue a Final Order Assessing Administrative Penalties, and only members of the public who submit timely comments on this proposal will have an additional thirty (30) days to petition EPA to set aside the Final Order Assessing Administrative Penalties and to hold a hearing thereon. 33 U.S.C. § 1319(g)(4)(C). EPA will grant the petition and will hold a hearing if the petitioner's evidence is material and was not considered by EPA in the issuance of the

Final Order Assessing Administrative Penalties.

27. Any hearing that Respondent requests will be held and conducted in accordance with the Consolidated Rules, 40 C.F.R. Part 22.
28. At such a hearing, Respondent may contest any material fact contained in the Factual and Legal Allegations listed in Section II above, the Findings listed in Section III, above, and the appropriateness of the amount of the proposed civil penalty in Section IV, above.
29. Any Answer to this Complaint, and any Request for Hearing, must be filed within thirty (30) days of receiving this Complaint with the following:

Regional Hearing Clerk (3RC00)
U.S. Environmental Protection Agency, Region III
1650 Arch Street
Philadelphia, PA 19103-2029

Stefania D. Shamet, Esq.
Senior Assistant Regional Counsel (3RC20)
U.S. Environmental Protection Agency, Region III
1650 Arch Street
Philadelphia, PA 19103-2029

31. Failure of the Respondent to admit, deny or explain any of the factual allegations in this Complaint constitutes admission of such allegations. 40 C.F.R. § 22.15(b) & (c). The Answer and any subsequent documents filed in this action should be sent to:

Regional Hearing Clerk (3RC00)
U.S. Environmental Protection Agency, Region III

VI. QUICK RESOLUTION

32. In accordance with 40 C.F.R. § 22.18(a), and subject to the limitations in 40 C.F.R. § 22.45, Respondent may resolve this proceeding at any time by paying the specific penalty proposed in this Complaint.
33. If Respondent pays the specific penalty proposed in this Complaint within forty (40) days of receiving this Complaint, then, pursuant to 40 C.F.R. § 22.18(a)(1), no Answer need be filed.
34. If Respondent wishes to resolve this proceeding by paying the penalty proposed in this Complaint consistent with Paragraph 33 instead of filing an Answer, but needs additional time to pay the penalty, pursuant to 40 C.F.R. § 22.18(a)(2), Respondent may file a written statement with the Regional Hearing Clerk within 30 days after receiving this Complaint stating that Respondent “agrees to pay the proposed penalty in accordance with [40 C.F.R. § 22.18(a)(1)].” Such written statement need not contain any response to, or admission of, the allegations in the Complaint. Such statement shall be filed with the following:

Failure to make such payment within 60 days of receipt of the Complaint may subject the Respondent to default pursuant to 40 C.F.R. § 22.17.

35. Upon receipt of payment in full, in accordance with 40 C.F.R. § 22.18(a)(3), the Regional Judicial Officer or Regional Administrator shall issue a final order. Payment by Respondent shall constitute a waiver of Respondent’s rights to contest the allegations and to appeal the final order.

NOTICE OF SECURITIES AND EXCHANGE COMMISSION REGISTRANTS' DUTY TO DISCLOSE ENVIRONMENTAL LEGAL PROCEEDINGS

Securities and Exchange Commission regulations require companies registered with the SEC (e.g., publicly traded companies) to disclose, on at least a quarterly basis, the existence of certain administrative or judicial proceedings taken against them arising under Federal, State or local provisions that have the primary purpose of protecting the environment. Instruction 5 to Item 103 of the SEC's Regulation S-K (17 CFR 229.103) requires disclosure of these environmental legal proceedings. For those SEC registrants that use the SEC's "small business issuer" reporting system, Instructions 1-4 to Item 103 of the SEC's Regulation S-B (17 CFR 228.103) requires disclosure of these environmental legal proceedings.

If you are an SEC registrant, you have a duty to disclose the existence of pending or known to be contemplated environmental legal proceedings that meet any of the following criteria (17 CFR 229.103(5)(A)-(C)):

- A. Such proceeding is material to the business or financial condition of the registrant;
- B. Such proceeding involves primarily a claim for damages, or involves potential monetary sanctions, capital expenditures, deferred charges or charges to income and the amount involved, exclusive of interest and costs, exceeds 10 percent of the current assets of the registrant and its subsidiaries on a consolidated basis; or
- C. A governmental authority is a party to such proceeding and such proceeding involves potential monetary sanctions, unless the registrant reasonably believes that such proceeding will result in no monetary sanctions, or in monetary sanctions, exclusive of interest and costs, of less than \$100,000; provided, however, that such proceedings which are similar in nature may be grouped and described generically.

Specific information regarding the environmental legal proceedings that must be disclosed is set forth in Item 103 of Regulation S-K or, for registrants using the "small business issuer" reporting system, Item 103(a)-(b) of Regulation S-B. If disclosure is required, it must briefly describe the proceeding, "including the name of the court or agency in which the proceedings are pending, the date instituted, the principal parties thereto, a description of the factual basis alleged to underlie the proceedings and the relief sought."

You have been identified as a party to an environmental legal proceeding to which the United States government is, or was, a party. If you are an SEC registrant, this environmental legal proceeding may trigger, or may already have triggered, the disclosure obligation under the SEC regulations described above.

This notice is being provided to inform you of SEC registrants' duty to disclose any relevant environmental legal proceedings to the SEC. This notice does not create, modify or interpret any existing legal obligations, it is not intended to be an exhaustive description of the legally applicable requirements and it is not a substitute for regulations published in the Code of Federal Regulations. This notice has been issued to you for information purposes only. No determination of the applicability of this reporting requirement to your company has been made by any governmental entity. You should seek competent counsel in determining the applicability of these and other SEC requirements to the environmental legal proceeding at issue, as well as any other proceedings known to be contemplated by governmental authorities.

If you have any questions about the SEC's environmental disclosure requirements, please contact the SEC Office of the Special Senior Counsel for Disclosure Operations at (202) 551-3115.
