COMBINED COMPLAINT AND
CONSENT AGREEMENT

Complainant, the United States Environmental Protection Agency, Region 8, and Respondent, Lime Painting LLC (Respondent), by their undersigned representatives, hereby consent and agree as follows:

I. AUTHORITY

1. This Combined Complaint and Consent Agreement (Consent Agreement) is entered into by the EPA, by its duly delegated officials, and by Respondent for the purpose of simultaneously commencing and concluding this matter, as authorized by 40 C.F.R. § 22.13(b), and pursuant to 40 C.F.R. § 22.18(b)(2) and (3).
2. The EPA has jurisdiction over this matter pursuant to sections 16 and 409 of the Toxic Substances Control Act (TSCA), 15 U.S.C. §§ 2615, 2689, and the regulations promulgated under TSCA Subchapter IV, as set forth at 40 C.F.R. Part 745.

II. STATUTORY AND REGULATORY BACKGROUND

3. As directed by section 402(c) of TSCA, the EPA promulgated the Renovation, Repair, and Painting (RRP) Rule, codified at 40 C.F.R. Part 745, Subpart E, with the purpose of protecting the public from lead-based paint hazards associated with renovation, repair, and painting activities.
4. The RRP Rule requires that individuals performing renovations for compensation in target housing are properly trained, renovators and firms that perform renovations are certified, and the work practice standards at 40 C.F.R. § 745.85 are followed during renovations.
5. "Target housing" means any housing constructed prior to 1978, except for housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing) or any zero-bedroom dwelling. 15 U.S.C. § 2681(17).

6. "Renovation" means the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined at 40 C.F.R. § 745.223, 40 C.F.R. § 745.83.
7. Failure to comply with any provision of the RRP Rule, 40 C.F.R. Part 745, Subpart E, constitutes a violation of section 409 of TSCA, 15 U.S.C. § 2689. Section 16 of TSCA, 15 U.S.C. § 2615, as modified by 40 C.F.R. Part 19, authorizes the EPA to assess a civil penalty of up to \$37,500 for each violation of section 409.

III. RESPONDENT

8. Respondent is a company doing business in the State of Colorado.
9. Respondent is a "person" for purposes of sections 16 and 409 of TSCA, 15 U.S.C. §§ 2615, 2689, and as defined at 40 C.F.R. § 745.83.
10. Respondent is a "firm" as defined by 40 C.F.R. § 745.83.

IV. STATEMENTS OF FACT AND CONCLUSIONS OF LAW

11. On June 6, 2016, an authorized representative of the EPA conducted a compliance inspection at Respondent's jobsite at 6135 E. Montview Boulevard in Denver, Colorado (Montview Jobsite) to determine compliance with the RRP Rule.
12. In May and June 2016, Respondent engaged in work on a residential property at 2126 N. High Street in Denver, Colorado (High Street Jobsite) that included removal of exterior paint, including scraping, sanding, and grinding of exterior painted surfaces.
13. Both jobsites are residential properties constructed prior to 1978 and are "target housing" as the term is defined in 15 U.S.C. § 2681(17).
14. Respondent performed a "renovation" as the term is defined in 40 C.F.R. § 745.83, at both jobsites.
15. At the time of the renovation at the High Street Jobsite, Respondent took videos of the work being performed and made those videos publicly available on a social media website.

Count 1

16. The "initial certification" requirement at 40 C.F.R. § 745.89(a) provides that firms performing renovations on target housing are required to apply to the EPA for certification.
17. Respondent failed to obtain initial certification from the EPA prior to performing a renovation on target housing, as required by 40 C.F.R. § 745.89(a).

18. Respondent's failure to obtain initial certification constitutes a violation of 40 C.F.R. § 745.81(a)(2)(ii) and section 409 of TSCA, 15 U.S.C. § 2689.

Count 2

19. Firms performing renovations on target housing are required to maintain records necessary to demonstrate compliance with the RRP Rule, pursuant to 40 C.F.R. § 745.86.
20. Respondent failed to maintain records necessary to demonstrate compliance with the RRP Rule, in violation of 40 C.F.R. § 745.86.
21. Respondent's failure to maintain records constitutes a violation of sections 15 and 409 of TSCA, 15 U.S.C. §§ 2614, 2689.

Count 3

22. Firms performing renovations on target housing are required, before beginning the renovation, to cover the ground with plastic sheeting or other disposable impermeable material to collect falling paint debris, pursuant to 40 C.F.R. § 745.85(a)(2)(ii)(C).
23. According to videos of the renovation at the High Street Jobsite, no plastic sheeting or other disposable impermeable material was covering the ground to collect falling paint debris, in violation of 40 C.F.R. § 745.85(a)(2)(ii)(C).
24. Respondent's failure to cover the ground with plastic sheeting or other disposable impermeable material constitutes a violation of section 409 of TSCA, 15 U.S.C. § 2689.

Count 4

25. The RRP Rule prohibits the use of machines designed to remove paint through high speed operation such as sanding or grinding on painted surfaces during a renovation, unless such machines have shrouds or containment systems and are equipped with a HEPA vacuum attachment to collect dust and debris at the point of generation, pursuant to 40 C.F.R. § 745.85(a)(3)(ii).
26. According to videos of the renovation at the High Street Jobsite, Respondent used machines designed to remove paint through high speed operation, including sanding or grinding, on painted surfaces on the exterior of the Jobsite, without shrouds or containment systems or HEPA vacuum attachments, in violation of 40 C.F.R. § 745.85(a)(3)(ii).
27. Respondent's use of machines to remove paint through sanding or grinding on painted surfaces during the renovation constitutes a violation of section 409 of TSCA, 15 U.S.C. § 2689.

Count 5

28. Firms performing renovations on target housing are required to contain waste from renovation activities to prevent releases of dust and debris before the waste is removed from the work area for storage or disposal, pursuant to 40 C.F.R. § 745.85(a)(4)(i).

29. According to videos of the renovation at the High Street Jobsite, waste from renovation activities was not contained to prevent releases of dust and debris, in violation of 40 C.F.R. § 745.85(a)(4)(i).
30. Respondent's failure to contain waste from renovation activities constitutes a violation of section 409 of TSCA, 15 U.S.C. § 2689.

V. SETTLEMENT

31. The EPA and Respondent agree that settlement of this matter is in the public interest, and the EPA and Respondent agree that execution of this Consent Agreement and issuance of a Final Order without further litigation and without adjudication of any issue of fact or law, is the most appropriate means of resolving this matter.
32. In determining the amount of any penalty to be assessed, the EPA considered the nature, circumstances, extent and gravity of the violations alleged and, with respect to Respondent, the ability to pay, the effect of the proposed penalty on the ability to continue to do business, any history of prior violations, the degree of culpability, and such other matters as justice may require, in accordance with section 16 of TSCA, 15 U.S.C. § 2615.
33. By signing this Consent Agreement, Respondent: (a) admits that Respondent was subject to the RRP requirements, 40 C.F.R. Part 745 Subpart E, at the time the work described herein was being conducted; (b) admits the jurisdictional allegations made herein; (c) neither admits nor denies the factual allegations contained herein; and (d) consents to the assessment of the penalty specified in this Consent Agreement.
34. Pursuant to section 16 of TSCA, 15 U.S.C. § 2615, the EPA has determined that a civil penalty of nineteen thousand nine hundred and fifty dollars (\$19,950) is appropriate to settle this matter.
35. Respondent consents and agrees to pay a civil penalty in the amount of nineteen thousand nine hundred and fifty dollars (\$19,950) in the manner described below.
36. Payment by Respondent of the full penalty amount is due within thirty (30) calendar days of the Effective Date of the Final Order issued by the EPA Regional Judicial Officer adopting this Consent Agreement. If the due date for payment falls on a weekend or legal federal holiday, the due date is the next business day. Payment must be received by 11:00 A.M. Eastern Time to be considered received that day.
