**ASSENTED-TO MOTION TO EXTEND TIME TO ANSWER COMPLAINT**

Pursuant to 40 CFR 22.7(b), the Respondent, the Town of Winthrop (the “Town”), hereby requests that the Presiding Officer issue an order extending the time period that the Town has to answer the Administrative Complaint in this matter by 31 days from February 12, 2010 to March 15, 2010. In support of this Motion, the Town states that good cause exists for granting an extension of time to file an answer where the Town and the Environmental Protection Agency (“EPA”) have reached an agreement in principle to settle this matter and the parties have finalized the Consent Agreement and Final Order (“CAFO”) concerning the proposed Supplemental Environmental Project (“SEP”) pending approval of EPA management. The Presiding Officer granted five prior extensions of the time to file an answer to allow the Town to meet with EPA to pursue settlement discussions and to negotiate the SEP. These negotiations have been successful. Specifically, the parties have agreed to settle this matter for a cash penalty of \$8,000 and a SEP worth \$13,000 for a total penalty of \$21,000. The parties therefore

need additional time for EPA management to approve the settlement arrived at by counsel for Winthrop and EPA.

The Town further states that no prejudice will result from the granting of this extension where both the Town and EPA have agreed to a settlement of this matter that will avoid the time and expense of any further administrative proceedings. EPA, through its senior enforcement counsel, has assented to this Motion.

WHEREFORE, the Town asks the Presiding Officer to issue an order granting this assented to Motion and extending the time period the Town has to answer the Administrative Complaint in this matter to March 15, 2010.

THE TOWN OF WINTHROP,
