REGIONAL HEARING
CLERK

Dear Dr. Linn:

Enclosed please find an Administrative Civil Complaint alleging violations documented under the Federal Insecticide, Fungicide and Rodenticide Act, as amended (FIFRA).

The United States Environmental Protection Agency (EPA) has records which indicate that your establishment is registered under Section 7 of FIFRA as a Pesticide-Producing Establishment with an EPA establishment registration number of 003134-NJ-001.

Under Section 7(c) of FIFRA, any producer operating an establishment registered with EPA under Section 7, is required to submit an annual pesticide production report to EPA, even if the registered establishment is not currently producing pesticide substances. Failure to submit a production report is a violation of FIFRA § 7(c) and § 12(a)(2)(L).

The Complaint alleges that you failed to submit annual production reports for the calendar years 2008 and 2009. The complaint assesses a proposed civil penalty of Six Thousand Six Hundred Dollars (\$6,600). EPA considers failure to comply with FIFRA § 7(c) reporting requirements a serious violation, because it impacts the Agency's risk assessment capability, its ability to determine what pesticides an establishment is producing, and its ability to target inspections.

COUNT TWO

16. Complainant realleges each allegation contained in Paragraphs 1 through 11, inclusive, as if fully set forth herein.

PROPOSED CIVIL PENALTY

In view of the above-cited findings and pursuant to the authority of Section 14 (a) of FIFRA, 7 U.S.C. § 1361 (a), Complainant herein proposes the assessment of a civil penalty in the amount of Six-Thousand -Six-Hundred Dollars (\$6,600) against Respondent.

The proposed civil penalty has been determined in accordance with Section 14(a) of FIFRA, 7 U.S.C. § 1361 (a), which authorizes the assessment of a civil penalty of up to \$5,000 for each violation of FIFRA and the regulations promulgated pursuant thereto.

The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended by the Debt Collection Improvement Act of 1996, requires EPA to adjust its penalties for inflation on a periodic basis. EPA has issued the Civil Monetary Penalty Inflation Adjustment Rule under which violations which occur on January 12, 2009, or later are subject to a new statutory maximum civil penalty. The maximum civil penalty under Section 14(a) of FIFRA for such violations is \$3,300 per offense. (40 C.F.R. Part 19 (61 Fed. Reg. 69360, December 31, 1996)).

For purposes of determining the amount of any penalty to be assessed, Section 14 of FIFRA requires EPA to take into account the gravity of the violations. Section 14 of FIFRA requires EPA to take into account the appropriateness of the penalty to the size of the business of the person charged, and the effect of the penalty on the person's ability to continue in business.

To develop the proposed penalty in this Complaint, EPA has taken into account the particular facts and circumstances of this case, to the extent known at this time, with specific reference to EPA's "FIFRA 7(c) Enforcement Response Policy", dated May 1, 2010, and its "Enforcement Response Policy For The Federal Insecticide, Fungicide, and Rodenticide Act", dated July 2, 1990, copies of which are available upon request. These policies provide rational, consistent and equitable calculation methodologies for applying the statutory penalty factors enumerated above to particular cases.

Complainant proposes, subject to receipt and evaluation of further and relevant information, that Respondent be assessed the following civil penalty for the violations alleged in the Complaint:

Count 1:	Failure to Submit Section 7(c)(1) Report for 2008 \$3,300
Count 2:	Failure to Submit Section 7(c)(1) Report for 2009 \$3,300
TOTAL ASSESSMENT		\$6,600

PROCEDURES GOVERNING THIS ADMINISTRATIVE LITIGATION

The rules of procedure governing this civil administrative litigation have been set forth in 64 Fed. Reg. 40138 (July 23, 1999), entitled, "CONSOLIDATED RULES OF PRACTICE GOVERNING THE ADMINISTRATIVE ASSESSMENTS OF CIVIL PENALTIES, ISSUANCE OF COMPLIANCE OR CORRECTIVE ACTION ORDERS, AND THE REVOCATION, TERMINATION OR SUSPENSION OF PERMITS," and which are codified at 40 C.F.R. Part 22 (2000). A copy of these rules accompanies this "Complaint and Notice of Opportunity for Hearing" (hereinafter referred to as the "Complaint").

A. Answering the Complaint

Where Respondent intends to contest any material fact upon which the Complaint is based, to contend that the proposed penalty is inappropriate or to contend that Respondent is entitled to judgment as a matter of law, Respondent must file with the Regional Hearing Clerk of EPA, Region 2, both an original and one copy of a written Answer to the Complaint. (40 C.F.R. § 22.15(a)) While that provision requires that an Answer must be filed within 30 days after service of a Complaint, EPA, Region 2, has administratively extended the deadline for such filing in this proceeding, and Respondent's Answer accordingly must be filed within 90 days of service of the Complaint. The address of the Regional Hearing Clerk of EPA, Region 2, is:

**Regional Hearing Clerk
U.S. Environmental Protection Agency, Region 2
290 Broadway, 16th floor
New York, New York 10007-1866**

Respondent shall also then serve one copy of the Answer to the Complaint upon Complainant and any other party to the action. (40 C.F.R. § 22.15(a))

Respondent's Answer to the Complaint must clearly and directly admit, deny, or explain each of the factual allegations that are contained in the Complaint and with regard to which Respondent has any knowledge. (40 C.F.R. § 22.15(b)) Where Respondent lacks knowledge of a particular factual allegation and so states in its Answer, the allegation is deemed denied. (40 C.F.R. § 22.15(b)) The Answer shall also set forth: (1) the circumstances or arguments that are alleged to constitute the grounds of defense, (2) the facts that Respondent disputes (and thus intends to place at issue in the proceeding), and (3) whether Respondent requests a hearing. (40

C.F.R. § 22.15(b))

Respondent's failure affirmatively to raise in the Answer facts that constitute or that might constitute the grounds of its defense may preclude Respondent, at a subsequent stage in this proceeding, from raising such facts and/or from having such facts admitted into evidence at a hearing.

B. Opportunity to Request a Hearing

If requested by Respondent in its Answer, a hearing upon the issues raised by the Complaint and Answer may be held. (40 C.F.R. § 22.15(c)) If, however, Respondent does not request a hearing, the Presiding Officer (as defined in 40 C.F.R. § 22.3) may hold a hearing if the Answer raises issues appropriate for adjudication. (40 C.F.R. § 22.15(c))

Any hearing in this proceeding will be held at a location determined in accordance with 40 C.F.R. § 22.35(b). A hearing of this matter will be conducted in accordance with the applicable provisions of the Administrative Procedure Act, 5 U.S.C. §§ 551-59, and the procedures set forth in Subpart D of 40 C.F.R. Part 22.

C. Failure to Answer

If Respondent fails in its Answer to admit, deny, or explain any material factual allegation contained in the Complaint, such failure constitutes an admission of the allegation. (40 C.F.R. § 22.15(d)) If Respondent fails to file a timely (i.e. in accordance with the 30-day period set forth in 40 C.F.R. § 22.15(a)) Answer to the Complaint, Respondent may be found in default upon motion. (40 C.F.R. § 22.17(a); extended to 90 days for this Complaint) Default by Respondent constitutes, for purposes of the pending proceeding only, an admission of all facts alleged in the Complaint. (40 C.F.R. § 22.17(a)) Following a default by Respondent for a failure to timely file an Answer to the Complaint, any order issued therefore shall be issued.

Any penalty assessed in the default order shall become due and payable by Respondent without further proceedings 30 days after the default order becomes final pursuant to 40 C.F.R. § 22.27(c). (40 C.F.R. § 22.17(d)) If necessary, EPA may then seek to enforce such final order of default against Respondent, and to collect the assessed penalty amount, in federal court.

D. Exhaustion of Administrative Remedies

Where Respondent fails to appeal an adverse initial decision to the Environmental Appeals Board pursuant to 40 C.F.R. § 22.30, and that initial decision thereby becomes a final order pursuant to the terms of 40 C.F.R. § 22.27(c), Respondent waives its right to judicial review. (40 C.F.R. § 22.27(d)).

In order to appeal an initial decision to the Agency's Environmental Appeals Board

[EAB; see 40 C.F.R. § 1.25(e)], Respondent must do so “within 30 days after the initial decision is served.” (40 C.F.R. § 22.30(a)) Pursuant to 40 C.F.R. § 22.07(c), where service is effected by mail, “five days shall be added to the time allowed by these rules for the filing of a responsive pleading or document.” Note that the 45-day period provided for in 40 C.F.R. § 22.27(c) (discussing when an initial decision becomes a final order) does not pertain to or extend the time period prescribed in 40 C.F.R. § 22.30(a) for a party to file an appeal to the Environmental Appeals Board of an adverse initial decision.

INFORMAL SETTLEMENT CONFERENCE

Whether or not Respondent requests a formal hearing, EPA encourages settlement of this proceeding consistent with the provisions of the Act and its applicable regulations (40 C.F.R. § 22.18(b)). At an informal conference with a representative(s) of Complainant, Respondent may comment on the charges made in this complaint, and Respondent may also provide whatever additional information that it believes is relevant to the disposition of this matter, including: (1) actions Respondent has taken to correct any or all of the violations herein alleged, (2) any information relevant to Complainant’s calculation of the proposed penalty, (3) the effect the proposed penalty would have on Respondent’s ability to continue in business, and (4) any other special facts or circumstances Respondent wishes to raise.

Complainant has the authority to modify the amount of the proposed penalty, where appropriate, to reflect any settlement agreement reached with Respondent, to reflect any relevant information previously not known to Complainant or to dismiss any or all of the charges, if Respondent can demonstrate that the relevant allegations are without merit and that no cause of action as herein alleged exists. Respondent is referred to 40 C.F.R. § 22.18. Any request for an informal conference or any questions that Respondent may have regarding this complaint should be directed to:

Mr. Michael Kramer
FIFRA Section 7 Coordinator
U.S. Environmental Protection Agency, Region 2
Pesticides Team (MS-500)
2890 Woodbridge Avenue
Edison, New Jersey 08837
(732) 321-6610

The parties may engage in settlement discussions irrespective of whether Respondent has requested a hearing (40 C.F.R. § 22.18(b)(1)). Respondent’s requesting a formal hearing does not prevent it from also requesting an informal settlement conference; the informal conference procedure may be pursued simultaneously with the formal adjudicatory hearing procedure. A request for an informal settlement conference constitutes neither an admission nor a denial of any of the matters alleged in the Complaint. Complainant does not deem a request for an informal settlement conference as a request for a hearing as specified in 40 C.F.R. § 22.15(c).

A request for an informal settlement conference does not affect Respondent's obligation to file a timely Answer to the Complaint pursuant to 40 C.F.R. § 22.15. No penalty reduction, however, will be made simply because an informal settlement conference is held.

Any settlement that may be reached as a result of an informal settlement conference shall be embodied in a written consent agreement (40 C.F.R. § 22.18(b)(2)). In accepting the consent agreement, Respondent waives its right to contest the allegations in the Complaint and waives its right to appeal the final order that is to accompany the consent agreement (40 C.F.R. § 22.18(b)(2)). In order to conclude the proceeding, a final order ratifying the parties' agreement to settle will be executed (40 C.F.R. § 22.18(b)(3)).

Respondent's entering into a settlement through the signing of such Consent Agreement terminates this administrative litigation and civil proceedings arising out of the allegations made in the Complaint. Respondent's entering into a settlement does not extinguish, waive, satisfy or otherwise affect its obligation and responsibility to comply with all applicable statutory and regulatory requirements, and to maintain such compliance.

RESOLUTION OF THIS PROCEEDING WITHOUT HEARING OR CONFERENCE

Instead of filing an Answer, Respondent may choose to pay the total amount of the proposed penalty within 30 days after receipt of the Complaint, provided that Respondent files with the Regional Hearing Clerk, Region 2 (at the New York address noted above), a copy of the check or other instrument of payment (40 C.F.R. § 22.18(a)). Such payment shall be made by cashier's or certified check or by Electronic Fund Transfer (EFT). If the payment is made by check, then the check shall be made payable to the "Treasurer, United States of America," and shall be mailed to:

U.S. Environmental Protection Agency
Fines and Penalties
Cincinnati Finance Center
P.O. Box 979077

The check shall be identified with a notation thereon listing the following: *IN THE MATTER OF VETOQUINOL USA*, and shall bear thereon the Docket Number FIFRA-02-2010-5105. If Respondent chooses to make the payment by EFT, then Respondent shall provide the following information to its remitter bank:

- 1) Amount of Payment
- 2) SWIFT address: FRNYUS33, 33 Liberty Street, New York, NY 10045
- 3) Account Code for Federal Reserve Bank of New York receiving payment: 68010727
- 4) Federal Reserve Bank of New York ABA routing number: 021030004

5) Field Tag 4200 of the Fedwire message should read "D 68010727

and

Karen Maples, Regional Hearing Clerk
Environmental Protection Agency, Region 2
290 Broadway, 16th floor
New York, New York 10007-1866

Pursuant to 40 C.F.R. Section 22.18(a)(3), if Respondent elects to pay the full amount of the penalty proposed in the Complaint within 30 days of receiving the Complaint, then, upon EPA's receipt of such payment, the Regional Administrator of EPA, Region 2 (or, if designated, the Regional Judicial Officer), shall issue a final order. Issuance of this final order terminates this administrative litigation and the civil proceedings arising out of the allegations made in the Complaint. Further, pursuant to 40 C.F.R. Section 22.18(a)(3), the making of such payment by Respondent shall constitute a waiver of Respondent's right both to contest the allegations made in the Complaint and to appeal said final order to federal court. Such payment does not extinguish, waive, satisfy or otherwise affect Respondent's obligation and responsibility to comply with all applicable regulations and requirements, and to maintain such compliance.
