EXPEDITED SPILL SETTLEMENT AGREEMENT

DOCKET NO. CWA-04-2008-5013

On: March 5, 2008 Time: 14:00
At: or near 101 65th Avenue in Meridian, Lauderdale County, Mississippi, Maples Gas Co., Inc. (Respondent) discharged 700 gallons of oil in violation of Section 311(b)(3) of the Clean Water Act (the Act), as noted on the attached ALLEGED CIVIL VIOLATION (Form), which is hereby incorporated by reference.

Upon signing and returning this Expedited Spill Settlement Agreement to EPA, Respondent waives the opportunity for a hearing or appeal pursuant to Section 311 of the Act, and consents to EPA's approval of the Expedited Spill Settlement Agreement without further notice.

EPA finds the Respondent's conduct is subject to the discharge prohibition of Section 311(b)(3) of the Act, as described in that statute and further described by 40 CFR § 110.3. The Respondent admits being subject to Section 311(b)(3) and that EPA has jurisdiction over the Respondent and the Respondent's conduct as described in the Form. Respondent does not contest the Allegations in the Form, and waives any objections it may have to EPA's jurisdiction.

After this Expedited Spill Settlement Agreement becomes effective, EPA will take no further action against the Respondent for the violation of Section 311(b)(3) of the Act described in the Form. However, EPA does not waive any rights to take any enforcement action for any other past, present, or future violation by the Respondent of Section 311(b)(3) of the Act or of any other federal statute or regulation. By its first signature, EPA ratifies the Findings and Alleged Violation set forth in the Form.

EPA is authorized to enter into this Expedited Spill Settlement Agreement under the authority vested in the Administrator of EPA by Section 311(b)(6)(B)(i) of the Act, 33 U.S.C. §1321(b)(6)(B)(i), as amended by the Oil Pollution Act of 1990, and by 40 CFR §22.13(b). The parties enter into this Expedited Spill Settlement Agreement in order to settle the civil violation described in the Form for a penalty of \$500.00. Respondent consents to the assessment of this penalty.

This Expedited Spill Settlement Agreement is binding on the parties signing below, and effective upon EPA's filing of the document with the Regional Hearing Clerk. If the Respondent does not sign and return this Expedited Spill Settlement Agreement as presented within 30 days of the date of its receipt, the proposed Expedited Spill Settlement Agreement is withdrawn without prejudice to EPA's ability to file any other enforcement action for the violation identified in the Form.

This Expedited Spill Settlement Agreement is also subject to the following terms and conditions: Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that it has investigated the cause of the spill, it has cleaned up the spill pursuant to federal requirements at a cost of \$ ~~57,423.31~~ ^{62,680.63} and it has taken corrective actions that will prevent future spills. The Respondent also by signature on this Expedited Spill Settlement Agreement agrees to payment of the penalty assessed. **Do not enclose payment.** Upon receiving written execution of this Agreement, Respondent shall submit payment within 7 days by certified check or electronic funds transfer for \$500.00 payable to the "US Environmental Protection Agency CWA-321". Instructions on how to make this payment will be included in the written notice that will be issued when the Expedited Spill Settlement Agreement becomes effective.
