Respondent,

Proceeding under Section 325(c)  
of Title III of the Superfund  
Amendments and Reauthorization Act,

**RESPONDENT'S MOTION TO CONTINUE DATE FOR FILING OF ANSWER**

The Respondent, CWM Chemical Services, LLC ("CWM"), moves the Regional Judicial Officer ("RJO") for an Order continuing the date for filing its answer from October 17, 2012 to November 16, 2012.

By orders dated October 27, 2010, November 24, 2010, January 18, 2011, February 14, 2011, April 8, 2011, June 6, 2011, August 3, 2011, October 7, 2011, January 10, 2012, March 20, 2012, May 16, 2012, July 24, 2012, and September 7, 2012, the RJO granted the requests of CWM for an extension of the time for CWM to file an answer in the above-captioned matter through October 17, 2012. During that time, CWM has engaged in constructive dialogue with EPA Region 2 staff and counsel. On April 15, 2012, EPA and CWM agreed to a settlement in principle and requested additional time to complete the settlement.

Counsel for EPA informed CWM's counsel that completion of the settlement had been delayed due to illness of personnel at EPA and authorized CWM to inform the RJO that EPA concurred with a further request for an extension through October 17, 2012. Counsel for EPA has again informed CWM's counsel that the settlement has been delayed due to these same factors and authorized CWM to seek an additional 30-day extension.

CWM is therefore requesting an additional 30-day extension through November 16, 2012  
in order to complete the settlement.
