**ORDER GRANTING EXTENSION OF
ALTERNATIVE DISPUTE RESOLUTION PROCESS**

The parties have jointly moved to extend Alternative Dispute Resolution Process, which expired on October 3, 2011. Respondent has argued that it is not subject to the regulations cited in the complaint, 40 C.F.R. § 63.7985 (b), 40 C.F.R Part 63, subpart HHHHH. In a conference call on September 9, 2011, the parties and the neutral agreed that “neutral evaluation” would be the method used to conduct ADR. In order to accommodate the agreed upon schedule of the parties, that is, complainant will submit its statement and arguments on or before October 3, 2011 and respondent will submit its response on or before October 24, 2011, it is necessary to extend the ADR process. For good cause shown, the Alternative Dispute Resolution is extended to and including December 2, 2011.

Dated this 20th day of October 2011.
