ORDER ON MOTION FOR EXTENSION

By Motion dated May 12, 2009, the parties' seek a 30 day extension of time or a stay to provide sufficient time for the preparation and execution of their Consent Agreement and Final Order (CAFO) memorializing their settlement.

Good cause exists for granting an extension of time in that it is in the interest of the parties and judicial economy for the parties to settle this matter on mutually agreeable terms rather than to litigate this matter to a conclusion. In that the hearing in this case is set for August 2009, several months in the future, a brief delay will not result in any prejudice.

Accordingly, the parties' Motion for an Extension is hereby **GRANTED**. The parties shall file their fully executed CAFO in this matter or any stipulations **on or before June 22, 2009** and any and all pre-hearing motions, including motions for accelerated decisions, shall be filed **on or before June 26, 2009**. All other deadlines previously established shall remain in effect.
