Case Docket No. CWA-05-2016-0018

The U.S. Environmental Protection Agency (U.S. EPA), Region 5, is providing this notice of its intent to file a Complaint against Fehn Companies (Respondent) for violations of Sections 301 and 404 of the Clean Water Act. This Complaint proposes a civil penalty for violations alleging that the Respondent discharged fill material into approximately 1.11 acres of wetlands into the Lexington Athletic Complex without a Section 404 permit in 2014. The Lexington Athletic Complex site is southeast of the intersection of Main St. NE and Lexington Ave N in Anoka County, Minnesota. Under this settlement, Respondent will pay a civil penalty of \$1,000. The alleged violations are of environmental significance because stream side wetlands at the Lexington Athletic Complex site serve to filter surface and ground waters before they eventually reach downstream Rice Creek. These wetlands provide critical habitat and flood storage.
