of the Safe Drinking Water Act,  
42 U.S.C. § 300h-2

**ORDER ON RESPONDENT'S REQUEST FOR EXTENSION OF TIME**

On December 14, 2012, Respondent filed a Request for Extension of Time to File Proposed Findings of Fact and Conclusions of Law. The Findings of Fact and Conclusions of Law were due on December 14, 2012. Respondent requests a second extension of an additional four days from the original extension of time filed on November 20, 2012. Respondent's counsel requested an additional four days due to workload involving another client. Workload difficulties are always problematic and I am willing to entertain motions. In the future, please file such requests prior to the due date.

On December 17, 2012, the Regional Hearing Clerk received Respondent's Findings of Fact and Conclusions of Law. Since Respondent decided to file the document on the next business day after the December 14, 2012 deadline, I am willing to forgive the late filing. Therefore, a ruling on the extension of time is not necessary and is **DENIED**.

It is so ORDERED this 17<sup>th</sup> day of December 2012.
