**STATUS REPORT  
MOTION FOR EXTENSION**

Docket No.  
RCRA-02-2011-7110

**STATUS REPORT**

In accordance with the Prehearing Order issued by the Presiding Officer in this case, dated December 22, 2011, counsel for Complainant submits the following status report.

The parties met for a settlement conference on December 7, 2011. Counsel for Respondent has submitted this week a proposal for a Supplemental Environmental Project that Respondent wishes to be evaluated for the purpose of settlement of this case. Given that this project has only recently come to our attention and the time required to evaluate this project, counsel Complainant, while cognizant of the statement in the Prehearing Order that pendency of settlement negotiations do not constitute a basis for failing to comply with the deadlines, hereby requests a 30 day extension to the February 10, 2012 deadline for the filing of Complainant's Initial Prehearing Exchange (with a corresponding 30 day extension to the other deadlines). Counsel for Respondent has indicated she has no objection to this request.

Sincerely,

Counsel for Complainant
