Steve. The EPA received the SEP Completion Report you submitted on behalf of The GEO Group, Inc., on April 10, 2015, pursuant to paragraph 37 of the Combined Complaint and Consent Agreement. Upon review and in accordance with paragraph 37(g) of the CCCA, the EPA has determined that The GEO Group, Inc., satisfactorily has completed the SEP. Since the civil penalty was paid by your client previously on September 2, 2014, the EPA considers this matter fully closed. Thank you, Mr. Carrillo and The GEO Group, Inc., for your assistance in resolving this matter and in so doing, improving the quality of water discharged from the Town of Hudson's Wastewater Treatment Plant.
