PREHEARING ORDER

As you have been previously notified, I have been designated to preside in the above captioned matter. This proceeding arises under the authority of Section 12(a)(1) of the Federal Insecticide, Fungicide and Rodenticide Act, ("FIFRA"), as amended, 7 U.S.C. § 136j(a)(1). Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), provides, in part, that "it shall be unlawful for any person in any State to distribute or sell to any person" a pesticide" (as defined by Section 2(u) of FIFRA, 7 U.S.C. § 136(u), and 40 C.F.R. § 152.3) that has not been previously registered under Section 3 of FIFRA, 7 U.S.C. § 136a. The Environmental Protection Agency ("Agency" or "EPA") Rules of Practice ("Rules"), applicable in this administrative enforcement proceeding, are found in 40 C.F.R. Part 22.

As provided in the Rules, §22.18(a), it is the Agency's policy to encourage settlement of proceedings without the necessity of a formal hearing. However, the continuation of settlement negotiations will not provide good cause for not meeting the following schedule set in this prehearing order.

The schedule can now be set for the filing of prehearing exchanges under 40 C.F.R. §22.19 in accord with the following procedure:

- 1. Each party shall submit a list of all expert and other witnesses it intends to call with a brief narrative summary of their expected testimony; and copies of all documents and exhibits it intends to introduce into evidence. The exhibits should include a resume for each proposed expert witness.
- 2. The Complainant shall submit a statement explaining in detail how the proposed penalty amount was determined, including a description of how the specific provisions of any EPA penalty or enforcement policies or guidelines were applied in calculating the penalty.
- 3. The Complainant shall submit a statement on the applicability of the Paperwork Reduction Act ("PRA"), 44 U.S.C. § 3501 et seq., to this proceeding, including whether there is a current Office of Management and Budget control number involved and whether the provisions of Section 3512 of the PRA may apply to this case.
- 4. Each party shall submit its views on the place for the hearing pursuant to §§22.21(d) and 22.19(d) of the Rules. Each party should also indicate when they would be available for the hearing, and give an estimate of the time needed to present its direct case.

The Parties must simultaneously make their initial prehearing exchanges by **Tuesday**. March 30, 2010. If Respondent does not intend to present a direct case, but does wish to crossexamine Complainant's witnesses, it must submit a statement to that effect instead of a prehearing exchange. After the initial exchanges, the parties may file supplements to their prehearing exchanges (including any reply or rebuttal material), without motion, until 30 days before the date scheduled for the hearing. However, supplements must involve new evidence or witnesses. The parties have a good faith obligation to list all known exhibits & witnesses when the initial prehearing exchange is made. In addition to the paper filings required under the Rules for motions and post-hearing briefs, the parties are also to submit such filings on a CD so that the court may efficiently copy relevant portions from those documents into any orders and decisions it may issue.

Upon completion of the prehearing exchanges, the parties are directed to confer with one another in order to determine those issues which remain genuinely in dispute, so that the hearing may be focused on such matters. The parties shall then submit a statement to me identifying those issues.

The original and one copy of all filings, with attachments, shall be sent to the Regional Hearing Clerk, and copies sent to the opposing party and the Administrative Law Judge.
