Administrative Penalty Complaints  
Docket Nos. CWA-01-2008-0011, CWA-01-2008-0012, and  
CWA-01-2008-0013

Dear Mr. Suuberg:

Enclosed please find a copies of the three Administrative Complaints referenced above. The Complaints allege violations of the Clean Water Act. EPA issued a single complaint naming all three parties on September 28, 2007. That Complaint was withdrawn and instead EPA has issued the attached three complaints separately naming the three respondents referenced above.

Edith Goldman, Senior and Enforcement Counsel at EPA, has had discussions with Mary Jude Pigsley of your staff regarding this matter. Additionally, on March 24, 2006, Peter Kudarauskas, Environmental Engineer at EPA, participated in a site inspection at the subject construction site in Holden with Kathleen Keohane of your staff, among others. Should you wish to consult further on this matter, please call me at (617) 918-1780.

Sincerely,

Kathleen Woodward
