8. Section 313 of EPCRA, 42 U.S.C. § 11023, 40 C.F.R. §§ 372.22 and 372.30 require the owner or operator of a facility with: (a) ten or more full-time employees; (b) a Standard Industrial Classification (SIC) major group or industry code listed in 40 C.F.R. § 372.23(a), for which the corresponding North American Industry Classification System (NAICS) subsector or industry codes are listed in 40 C.F.R. §§ 372.23(b) or (c); and (c) a toxic chemical listed under Subsection 313(c) of EPCRA and 40 C.F.R. § 372.65, that manufactured, processed, or

otherwise used the chemical in excess of the threshold quantity established under Subsection 313(f) of EPCRA, 42 U.S.C. § 11023(f), and 40 C.F.R. §§ 372.25, 372.27, or 372.28, to complete and submit a toxic chemical release inventory Form R, for each toxic chemical known by the owner or operator to be “manufactured, processed, or otherwise used” in quantities exceeding the established threshold quantity, to the Administrator of EPA and to the State in which the facility is located by July 1, for the preceding calendar year.

9. Such form shall be submitted to the Administrator and to an official or officials of the State designated by the Governor on or before July 1, 1988, and annually thereafter on July 1 and shall contain data reflecting releases during the preceding calendar year.

10. Pursuant to Section 313(f) of EPCRA, 42 U.S.C. § 11023(f), and 40 C.F.R. § 372.25, the threshold amount for reporting under Section 313(b) of EPCRA, 42 U.S.C. § 11023(b), and 40 C.F.R. § 372.30, is 25,000 pounds for any toxic chemical manufactured or processed, and 10,000 pounds for any toxic chemical otherwise used for the applicable calendar year. Alternative reporting thresholds are set forth in 40 C.F.R. §§ 372.27 and 372.28.

11. 40 C.F.R. § 372.30(a) requires that for each toxic chemical known by the owner or operator to be manufactured (including imported), processed, or otherwise used in excess of an

Respondent's adherence to this request will ensure proper credit is given when penalties are received by EPA and acknowledged in the Region.

29. Respondent agrees not to claim or attempt to claim a federal income tax deduction or credit covering all or any part of the civil penalty paid to the United States Treasurer.

30. If Respondent fails to submit the first installment within thirty (30) days of the effective date of this Order, Respondent may be subject to a civil action to collect the penalty in full, in an appropriate district court of the United States pursuant to Section 325(f) of EPCRA, 42 U.S.C. § 11045(f).

31. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the respective due date. Interest will be assessed at the rate of the United States Treasury

tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. See 40 C.F.R. § 13.11(b)

32. EPA will also assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. See 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. See 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

33. This Consent Agreement and Order shall not relieve Respondent of its obligation to comply with all applicable provisions of federal, state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state or local permit.

34. This document is a "Final Order" as that term is defined in the "Enforcement Response Policy for Section 313 of the Emergency Planning and Community Right-to-Know Act (1986) and Section 6607 of the Pollution Prevention Act (1990)," dated August 10, 1992 (Amended: 1996, 1997, and 2001; and updated in accordance with the 2016 Civil Monetary Penalty Inflation Adjustment Rule on February 24, 2017) for the purpose of demonstrating a history of "prior such violations."

## **B. RETENTION OF ENFORCEMENT RIGHTS**

35. EPA does not waive any rights or remedies available to EPA for any violations by

Respondent of Federal or State laws, regulations, or permitting conditions.

36. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of Section 313 of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. Part 372.

37. Nothing in this CAFO shall limit the power and authority of EPA or the United States to take, direct, or order all actions to protect public health, welfare, or the environment, or prevent, abate or minimize an actual or threatened release of hazardous substances, pollutants, contaminants, hazardous substances on, at, or from Respondent's facility. Furthermore, nothing in this CAFO shall be construed to prevent or limit EPA's civil and criminal authorities, or that of Federal, State, or local agencies or departments to obtain penalties or injunctive relief under Federal, State, or local laws or regulations.

#### **C. COSTS**

38. Each party shall bear its own costs and attorney's fees. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorney's fees under 5 U.S.C. § 504 and 40 C.F.R. Part 17.
