**Re: In the Matter of Miami Products & Chemical Company ("MPCC")
Docket No. FIFRA-05-2009-0015/Prehearing Exchange**

Dear Jeffrey:

I am glad we were able to reach a tentative settlement in connection with this matter. I look forward to seeing the draft CAFO from your office. Pursuant to the Prehearing Order and my previous representations to you, MPCC does not intend to present a direct case in this matter, but would reserve its right to cross-examine witnesses and supplement this exchange concerning the civil penalty amount in the unlikely event we are not able to agree on the terms and conditions of the CAFO.

I am glad we were able to reach an agreement and look forward to working with you to finalize things.

Very truly yours,

Timothy D. Hoffman
