Louisiana, §  
Respondent. §

**CONSENT AGREEMENT AND FINAL ORDER**

**I. PRELIMINARY STATEMENT**

1. This Consent Agreement and Final Order ("CAFO") is issued under the authority vested in the United States Environmental Protection Agency ("EPA") pursuant to Section 309(g) of the Clean Water Act ("Act"), 33 U.S.C. § 1319(g). This CAFO is issued to simultaneously commence and conclude this proceeding to assess a Class I civil penalty in accordance with 40 C.F.R. §§ 22.13(b) and 22.18(b)(2)-(3), as described in the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits" (Consolidated Rules).

2. The Parties agree that settlement of the relevant matters without litigation will save time and resources, that it is in the public's interest, and that the entry of this CAFO is the most appropriate means of resolving such matters. Compliance with all the terms and conditions of this CAFO resolves only those violations alleged herein.

3. Respondent admits the jurisdictional allegations herein solely for the purposes of entering a settlement of the allegations made by EPA; however, Respondent does not admit the specific Findings of Fact and Conclusions of Law contained in this CAFO for the purposes of this proceeding.

4. This CAFO states a claim(s) upon which relief may be granted.

5. Respondent expressly waives any right to contest, for the purposes of entry of this CAFO, the Findings of Fact or Conclusions of Law contained in this CAFO, and waives its right to appeal the Final Order set forth herein.

6. Before the taking of any testimony and without adjudication of any issue of law or fact, the parties agree to the terms of settlement of this CAFO, as set forth in Article III, below, and to its issuance. Respondent consents to the assessment and payment of a civil penalty in the amount and by the method stated below.

## II. FINDINGS OF FACT AND CONCLUSIONS OF LAW

7. Meadow Lake Holdings, LLC ("Respondent") is a limited liability company under the laws of the State of Louisiana ("State"), and as such, Respondent is a "person," as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. §§ 122.2 and 232.2.

8. At all times relevant to the violations alleged herein ("relevant time period"), Respondent owned real property for the development of the Meadow Lake Subdivision located on and east of Highway 447, south of Highway 1029 in Section 24, Township 6 South, Range 3 East, Livingston Parish, Louisiana, north of Walker Louisiana (herein "the Property").

9. At some time during the fall of 2006 to the end of the 2007 calendar year, Respondent cleared and filled approximately 3.00 acres of wetlands in the southeast portion of the Property.

10. At some time during the fall of 2006 to the end of the 2007 calendar year, Respondent discharged, caused the discharge, directed or supervised the discharge, and/or agreed with other persons or business entities, to "discharge dredged material" and/or "discharge fill material," as defined by 40 C.F.R. § 232.2 from point sources, including heavy equipment, in, on and to approximately 3.00 acres of wetlands within the Property, as those terms are defined by Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 232.2. This work was done without authorization under a permit issued by the Corps.

11. During the relevant time period, the approximately 3.0 acres of wetlands impacted on the Property, as described in paragraph 9, *supra*, were "navigable waters" or waters of the United States as defined by Section 502(7) of the Act, 33 U.S.C. § 1362(7), and 40 C.F.R. § 232.2.

12. The dredged material and fill material, described in paragraphs 9 and 10, *supra*, are considered "pollutants" as that term is defined at Section 502(6) of the Act, 33 U.S.C. § 1362(6).

13. Each piece of equipment used for the discharge(s) acted as a "point source" as that term is defined at Section 502(14) of the Act, 33 U.S.C. § 1362(14).

14. Under Section 301(a) of the Act, 33 U.S.C. § 1311(a), it is unlawful for any person to discharge a pollutant from a point source to waters of the United States, except with the authorization of, and in compliance with, a permit issued under the Act.

15. Under Section 404 of the Act, 33 U.S.C. § 1344, the Secretary of the Army, acting through the Chief of Engineers for the Corps, is authorized to issue permits for the discharge of dredged or fill material into navigable waters of the United States.

16. During the relevant time period, Respondent did not have a permit issued by the Corps authorizing the discharges alleged herein.

17. Under Section 309(g)(1)(A) of the Act, 33 U.S.C. § 1319(g)(1)(A), the Administrator is authorized to assess a Class I civil penalty whenever, on the basis of any available information, the Administrator finds that a person violated Section 301 of the Act, 33 U.S.C. § 1311.

18. Under Section 309(g)(2)(A) of the Act, 33 U.S.C. § 1319(g)(2)(A), and 40 C.F.R. Part 19, Respondent is liable for a civil penalty of up to \$11,000 per violation, up to a maximum of \$32,500, for violations that occurred after March 15, 2004, to January 12, 2009.

19. EPA notified the State and provided the State an opportunity to consult with EPA regarding the proposed assessment of an administrative penalty against Respondent.

20. On November 19, 2009, EPA notified the public of the proposed CAFO through a public notice in the Advocate, Baton Rouge and the Livingston Parish News (Denham Springs) and afforded the public thirty (30) days to comment on the proposed penalty in accordance with

40 C.F.R. § 22.45. At the expiration of the notice period, EPA HAD NOT received comments from the public.

25. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on

the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the respective due date. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. *See* 40 C.F.R. § 13.11(b).

26. EPA will also assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. *See* 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. *See* 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

27. Pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9), any person who fails to pay on a timely basis a civil penalty ordered or assessed under this section shall be required to pay, in addition to such penalty and interest, the United States' enforcement expenses, including but not limited to, attorney's fees and costs incurred by the United States for collection proceedings and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be twenty (20) percent of the aggregate amount of such person's outstanding penalties and nonpayment penalties accrued as of the beginning of each quarter.

38. Failure by Respondent to pay the penalty assessed according to the terms of this CAFO, in full, by its due date, may subject Respondent to a civil action to collect the assessed penalty and any accrued interest and penalties.

29. In the event a collection action is necessary, Respondent shall pay - in addition to any applicable penalty, fees, and interest described herein - all reasonable costs and expenses, including legal expenses and court costs, incurred by the United States for enforcement and collection proceedings for nonpayment of the amounts agreed hereunder, pursuant to Section

309(g)(9) of the Act, 33 U.S.C. 1319(g)(9). In any such collection action, the validity, amount, and appropriateness of the penalty, and the terms of this CAFO, shall not be subject to review.

B. GENERAL PROVISIONS

30. This CAFO shall become effective upon filing with EPA's Regional Hearing Clerk.

31. 32. The provisions of this CAFO shall be binding upon Respondent, its officers or officials, managers, employees, and their successors or assigns, in their capacity on behalf of Respondent.

33. Each party agrees to bear its own costs and attorney's fees in this matter, except to the extent that Respondent may be responsible for reasonable costs and expenses of enforcement and collection proceedings for failure to comply with the terms of this CAFO. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorney's fees under the Equal Access to Justice Act, 5 U.S.C. § 504, as amended by the Small Business Regulatory Enforcement Fairness Act, 5 U.S.C. § 601, and any regulations promulgated pursuant to those Acts.
