EPA Docket No.
CAA-06-2016-3387

Respondent

CONSENT AGREEMENT AND FINAL ORDER

The Director of the Compliance Assurance and Enforcement Division of the United States Environmental Protection Agency (“EPA”), Region 6 (“Complainant”) and E. I. du Pont de Nemours and Company (“Respondent” or “DuPont”) in the above-referenced proceeding, hereby agree to resolve this matter through the issuance of this Consent Agreement and Final Order (“CAFO”).

I. PRELIMINARY STATEMENT

1. This proceeding for the assessment of civil penalties is brought by EPA pursuant to sections 113(a)(3) and 113(d)(1)(B) of the Clean Air Act, as amended (“Act” or “CAA”), 42 U.S.C. §§ 7413(a)(3) and 7413(d)(1)(B), and is simultaneously commenced and concluded through the issuance of this CAFO pursuant to 40 C.F.R. §§ 22.13(b), 22.18(b)(2) and (3), and 22.34.

2. For purposes of this proceeding, Respondent admits the jurisdictional allegations contained herein; however, Respondent neither admits nor denies the specific factual allegations contained in this CAFO.

3. Respondent explicitly waives any right to contest the allegations and its right to appeal the proposed Final Order set forth herein, and waives all defenses, which have been raised or could have been raised to the claims set forth in this CAFO.

4. Compliance with all the terms and conditions of this CAFO shall only resolve Respondent's liability for federal civil monetary penalties for those violations and facts alleged in this CAFO.

5. Respondent consents to the issuance of this CAFO and to the assessment and payment of the stated civil penalty in the amount and by the method set forth in this CAFO.

II. ALLEGATIONS

6. Respondent is a corporation authorized to do business in the State of Louisiana.

7. Respondent is a "person" as that term is defined by section 302(e) of the CAA, 42 U.S.C. § 7602(e).

8. At the time of the incidents described herein, Respondent owned and operated a chemical plant at 560 Highway 44 in LaPlace, Louisiana ("Facility") where regulated substances and other extremely hazardous substances are produced, processed, stored, and handled, and from which an accidental release could occur.

9. The Facility is a "stationary source" as that term is defined by section 112(r)(2)(C) of the CAA, 42 U.S.C. § 7412(r)(2)(C).

10. Respondent is the "owner or operator" of a stationary source and the Facility.

11. Within the Facility, at the time of the incidents described herein, Respondent used and produced butadiene, chlorine, pentane, sodium hydroxide, hydrochloric acid,

E. I. du Pont de Nemours and Company
Docket No. CAA-06-2016-3387

toluene, 1,4-dichloro-2-butene, 3,4-dichloro-1butene, chloroprene monomer, resin, and neoprene rubber.

12. On June 11, 2015, a release of 3,940 pounds of toluene occurred at the Facility. Approximately 725 pounds of toluene material evaporated to the atmosphere through volatilization during the release. The release was caused by the failure of a flange gasket due to thermal expansion. The toluene supply header pump was locked out for maintenance and the header was not de-inventoried during the lock-out process, and remained blocked in through the heat of the day on June 11, 2015, which in turn allowed the gasket to suffer thermal expansion and associated loss of utility.

13. On June 17, 2015, a Monomer area process operator discovered a leak occurring from a recirculation line on the Isomerization Reactor. Respondent calculated that approximately 12 pounds of 1,4-dichloro-2-butene and 10 pounds of 3,4-dichloro-1-butene volatilized to the ambient air. The release was caused by a process line failure which itself was caused by a failed gate valve located immediately upstream of the leak point. No conclusive determination was made as to why the gate valve failed.

14. Toluene is an extremely hazardous flammable substance.

15. Respondent did not design and maintain a safe facility on June 11, 2015 by failing to ensure a leakage of toluene caused by the failure of a flange gasket.

16. Pursuant to section 112(r)(1) of the CAA, 42 U.S.C. § 7412(r)(1), an owner/operator of a stationary source producing, processing, handling or storing substances listed pursuant to section 112(r)(3) of the CAA, 42 U.S.C. § 7412(r)(3), or any other extremely hazardous substance, has a general duty to: (1) identify hazards which may result from accidental releases of such substances using appropriate hazard assessment techniques; (2) design and maintain a safe facility, taking such steps as are

E. I. du Pont de Nemours and Company
Docket No. CAA-06-2016-3387

necessary to prevent releases; and (3) minimize the consequences of accidental releases that do occur.

17. Respondent failed to design and maintain a safe facility and did not take such necessary steps to prevent accidental releases of Toluene by failing to de-inventory the toluene supply header while maintenance was performed on the associated pump.

18. Respondent's failure constitutes a violation of the general duty clause in section 112(r)(1) of the CAA, 42 U.S.C. § 7412(r)(1).

19. Respondent is therefore subject to the assessment of penalties pursuant to sections 113(a)(3) and 113(d)(1)(B) of the CAA, 42 U.S.C. §§ 7413(a)(3) and 7413(d)(1)(B), for at least one day of violation of the general duty clause of section 112(r)(1) of the CAA, 42 U.S.C. §7412(r)(1).

III. TERMS OF SETTLEMENT

A. CIVIL PENALTY

20. Pursuant to the authority granted in sections 113(a)(3) and 113(d)(1)(B) of the CAA, 42 U.S.C. §§ 7413(a)(3) and 7413(d)(1)(B), and taking into consideration the size of the Respondent's business, the economic impact of the penalty on the Respondent's business, the Respondent's full compliance history and good faith efforts to comply, the duration of the violation, payment by Respondent of penalties previously assessed for the same violation (if any), the economic benefit of noncompliance, and the seriousness of the violation, as well as other factors which justice may require, EPA and Respondent agree that an appropriate penalty to settle this matter is \$37,500.

21. Respondent shall pay the assessed penalty within thirty (30) days of the effective date of this CAFO. Respondent shall pay the assessed civil penalty by certified check, cashier's check, or wire transfer, made payable to "Treasurer, United States of

E. I. du Pont de Nemours and Company

If payment is made by check, the check shall also be accompanied by a transmittal letter and shall reference the Respondent’s name and address, the case name, and the docket number of this CAFO. If payment is made by wire service, the wire transfer instructions shall reference the Respondent’s name and address, the case name, and the docket number of this CAFO. The Respondent shall also send a simultaneous notice of such payment, including a copy of the check and

E. I. du Pont de Nemours and Company
Docket No. CAA-06-2016-3387

transmittal letter or wire transfer instructions to the following:

Samuel Tates
Chief, Surveillance Section (6EN-AS)
Compliance Assurance and Enforcement Division
U.S. EPA, Region 6
1445 Ross Avenue, Suite 1200
Dallas, TX 75202-2733

Lorena Vaughn
Regional Hearing Clerk (6RC-D)
U.S. EPA, Region 6
1445 Ross Avenue, Suite 1200
Dallas, TX 75202-2733

Respondent's adherence to these instructions will ensure that proper credit is given when penalties are received in the Region.

22. Respondent agrees not to claim or attempt to claim a federal income tax deduction or credit covering all or any part of the civil penalty paid to the United States Treasurer.

23. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the due date. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. *See* 40 C.F.R. § 13.11(b).

24. EPA will also assess a \$15.00 administrative handling charge for

E. I. du Pont de Nemours and Company
Docket No. CAA-06-2016-3387

administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. *See* 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. *See* 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

B. PARTIES BOUND

25. The provisions of this CAFO shall apply to and be binding upon the parties to this action, their officers, directors, agents, employees, successors, and assigns. The undersigned representative of each party to this CAFO certifies that he or she is fully authorized by the party whom he or she represents to enter into the terms and conditions of this CAFO and to execute and to legally bind that party to it.

C. RETENTION OF ENFORCEMENT RIGHTS

26. EPA does not waive any rights or remedies available to EPA for any other violations by the Respondent of Federal or State laws, regulations, or permitting conditions.

27. Nothing in this CAFO shall relieve the Respondent of the duty to comply with all applicable provisions of section 112(r) of the CAA, 42 U.S.C. § 7412(r), and 40 C.F.R. Part 68.

28. Nothing in this CAFO shall limit the power and authority of EPA or the United States to take, direct, or order all actions to protect public health, welfare, or the environment, or prevent, abate, or minimize an actual or threatened release of hazardous substances, pollutants, or contaminants at or from the Facility. Furthermore, nothing in

E. I. du Pont de Nemours and Company
Docket No. CAA-06-2016-3387

this CAFO shall be construed to prevent or limit EPA's civil, injunctive, or criminal authorities, or that of other Federal, state, or local agencies or departments to obtain penalties or injunctive relief under Federal, state, or local laws or regulations.

29. In any subsequent administrative or judicial proceeding initiated by the Complainant or the United States for injunctive relief, civil penalties, or other appropriate relief, Respondent shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the Complainant or the United States in the subsequent proceeding were or should have been brought in the instant case, except with respect to the claims that have been specifically resolved pursuant to this CAFO.

D. COSTS

30. Each party shall bear its own costs and attorney's fees. Furthermore, Respondent specifically waives its right to seek reimbursement of its costs and attorney's fees under 5 U.S.C. § 504 and 40 C.F.R. Part 17.

E. EFFECTIVE DATE

31. This CAFO becomes effective upon filing with the Regional Hearing Clerk.
