

**Memo to Docket**

After several days absence from the office, I returned on 6/19/2012 and received a voice mail from a Mr. Warren McBride (630-654-2282), who indicated he represented Petco in this matter. The voice mail indicated Mr. McBride was concerned about schedule and that a draft CAFO was under discussion by the parties. No answer has been filed and the only scheduled event now in this matter is a status conference with Mr.Efren Ordonez, attorney for Complainant. .

I asked Lorena Vaughn (Region 6 Docket Clerk) to return his call and offer him a chance to participate in the status conference..
